ATLANTA, GA — SuperSolano 3600Ion Dryer is the next generation professional hair dryer. It delivers extreme power, maximum speed and up to 1875 Watts of heat that makes your drying time faster than conventional dryers. It also has ceramic grille for consistently hot temperatures and a scratch resistant shell for added strength. Three different technologies combine to create the SuperSolano 3600 Hair Dryer: Ion Technology conditions hair and reduces static electricity, Tourmaline Technology promotes healthier hair with natural ions, and Silver Nano Technology provides anti-bacterial protection.

Features Include:

- Wattage: 1,875 watts
- Ceramic Ion Tourmaline Technology
- Five heat and two-speed settings with an instant cold button
- Two ultra-narrow fiberglass concentration nozzles
- Removable integrated filter ring
- Scratch-resistant polycarbonate shell
- 12-foot heavy duty cord
- **Salon Price \$129**

The **SuperSolano 3600Ion Professional Hair Dryer** is available in salon professional and beauty supply stores nationwide and online at www.solanopower.com. For more information, call 1-800-323-3942.

Solano 3600Ion Dryer.....SRP: \$129

Solano's Care and Repair Program:

The "Care and Repair" program features a two year warranty with the option to renew. Additionally, should something happen to your dryer it can be sent to the Solano Repair Center to be repaired refurbished and reconditioned, making your dryer a great investment.
