If you're not a Nest Pro,
you should be!

And, it's easy to become one.

Register as a Nest Pro

If you are not a Nest Pro, visit pro.nest.com to get registered. The process is quick, and only Nest Pros can:

- Offer the 5-Year Extended Pro Warranty
- Get contact information displayed on the thermostat
- Purchase Personal Use Units, deeply discounted units of each product
- Get free customer leads through the Nest Pro Finder
- Access exclusive training resources and marketing tools
- Get dedicated 24/7 Technical Support 855-VIP-NEST

If you are a Nest Pro

You should know your Nest Pro ID, a 6 digit code unique to you. To find your Pro ID, log in to the Nest Pro Portal and it will be displayed in the rightmost corner of the screen. Pro ID is needed to:

- **Activate 5-Year Warranty:** Input your Pro ID into 3rd gen Learning Thermostats upon installation to activate a 5-Year Pro Warranty. That is a three year extension to the standard two-year warranty.
- **Display your contact information:** When you input your Pro ID upon thermostat installation, your organization's contact information will be displayed on the screen when servicing is needed. This ensures you are the pro they will call when they need help.

APCO[®]
WHOLE-HOUSE AIR PURIFIER

Introducing
IAQconnect[™]

DETOX the AIR!

APCO[®] combines UV-C light and activated carbon cells to purify all the air in your home without harmful ozone. APCO's revolutionary design is proven effective against both biological contaminants and odors/VOCs.

Monitor, Control & Clean Indoor Air

APCO[®] IAQ Connect[™] includes 2 devices in 1 package. The Foobot air quality sensor detects poor air quality and sends a signal (via Wi-Fi) to a compatible smart thermostat which in turn switches the air system to circulation mode. This allows the APCO[®] whole-house air purifier to clean the air even when the air system isn't heating or cooling the home. A smartphone APP provides control and real-time air quality information.

BLUE TUBE UV[®]

World's most popular UV light
