Warranty and Repair

All Ardent reels are backed by an industry best 3-year warrant against product defects. Ardent will, at its option, repair or replace any parts found to be defective during the warranty period at no cost to the reel owner, except for return shipping. This warranty does not cover damage, abuse, addition of parts or alteration of any parts. The warranty is void if the reel has not received reasonable and necessary maintenance. Other than Ardent, only Authorized Warranty Centers are allowed to perform any warranty repairs.
