2022®

THE SIG SAUER® 2022® FEATURES A DURABLE, lightweight and wear-resistant polymer frame with the added tactical versatility of an integrated accessory rail. The slide is machined from a solid block of stainless steel and protected by SIG's black Nitron® finish. The SIG SAUER polymer framed pistols have earned an enviable reputation and proven track record of reliable performance in the hands of law enforcement professionals. The 2022 – a polymer framed pistol engineered to perform, built to protect and good enough to be called a SIG SAUER.

SIGLITE® Night Sights or contrast sights

Interchangeable grip assemblies

Integral accessory rail
