WARNING DECAL PLACEMENT

This drawing shows the location(s) of the warning decal(s).
If a decal is missing or illegible, see the front cover of this manual and request a free replacement decal.
Apply the decal in the location shown. Note: The decal(s) may not be shown at actual size.

⚠ WARNING ⚠ ADVERTENCIA

- Misuse of this machine may result in serious injury.
- Read user's manual prior to use and follow all warnings and instructions.
- Do not allow children on or around machine.
- Keep body, clothing, and hair free and clear of all moving parts.
- Replace label if damaged, illegible, or removed.
- Mal uso de esta máquina puede resultar en graves lesiones
- Lea el manual del usuario antes del uso y siga todas las precauciones e instrucciones.
- No permita a los niños en o alrededor de la máquina.
- Mantenga el cuerpo, la ropa, y el pelo libres y alejados de todas las piezas móviles.
- Reemplace la calcomanía si está dañada, ilegible, o faltando.

IMPORTANT PRECAUTIONS

⚠ WARNING: To reduce the risk of serious injury, read all important precautions and instructions in this manual and all warnings on your weight bench before using your weight bench. ICON assumes no responsibility for personal injury or property damage sustained by or through the use of this product.

1. Before beginning any exercise program, consult your physician. This is especially important for persons over age 35 or persons with pre-existing health problems.
2. Read all instructions in this manual and all warnings on the weight bench before using the weight bench.
3. It is the responsibility of the owner to ensure that all users of the weight bench are adequately informed of all precautions.
4. The weight bench is intended for home use only. Do not use the weight bench in any commercial, rental, or institutional setting.
5. Keep the weight bench indoors, away from moisture and dust. Do not put the weight bench in a garage or covered patio, or near water.
6. Place the weight bench on a level surface, with a mat beneath it to protect the floor or carpet. Make sure that there is enough clearance around the weight bench to mount, dismount, and use the weight bench.
7. Inspect and properly tighten all parts regularly. Replace any worn parts immediately.
8. Keep children under age 12 and pets away from the weight bench at all times.
9. The weight bench is designed to support a maximum user weight of 300 lbs. (136 kg) and a maximum total weight of 410 lbs. (186 kg). Do not use more than 110 lbs. (50 kg) of weight with the weight bench. Note: The weight bench does not include weights.
10. Wear appropriate exercise clothes while exercising; do not wear loose clothes that could become caught on the weight system. Always wear athletic shoes for foot protection.
11. Always make sure that the locking pin is fully inserted into the frame and into the pivot bracket before you use the weight bench.
12. Over exercising may result in serious injury or death. If you feel faint or if you experience pain while exercising, stop immediately and cool down.

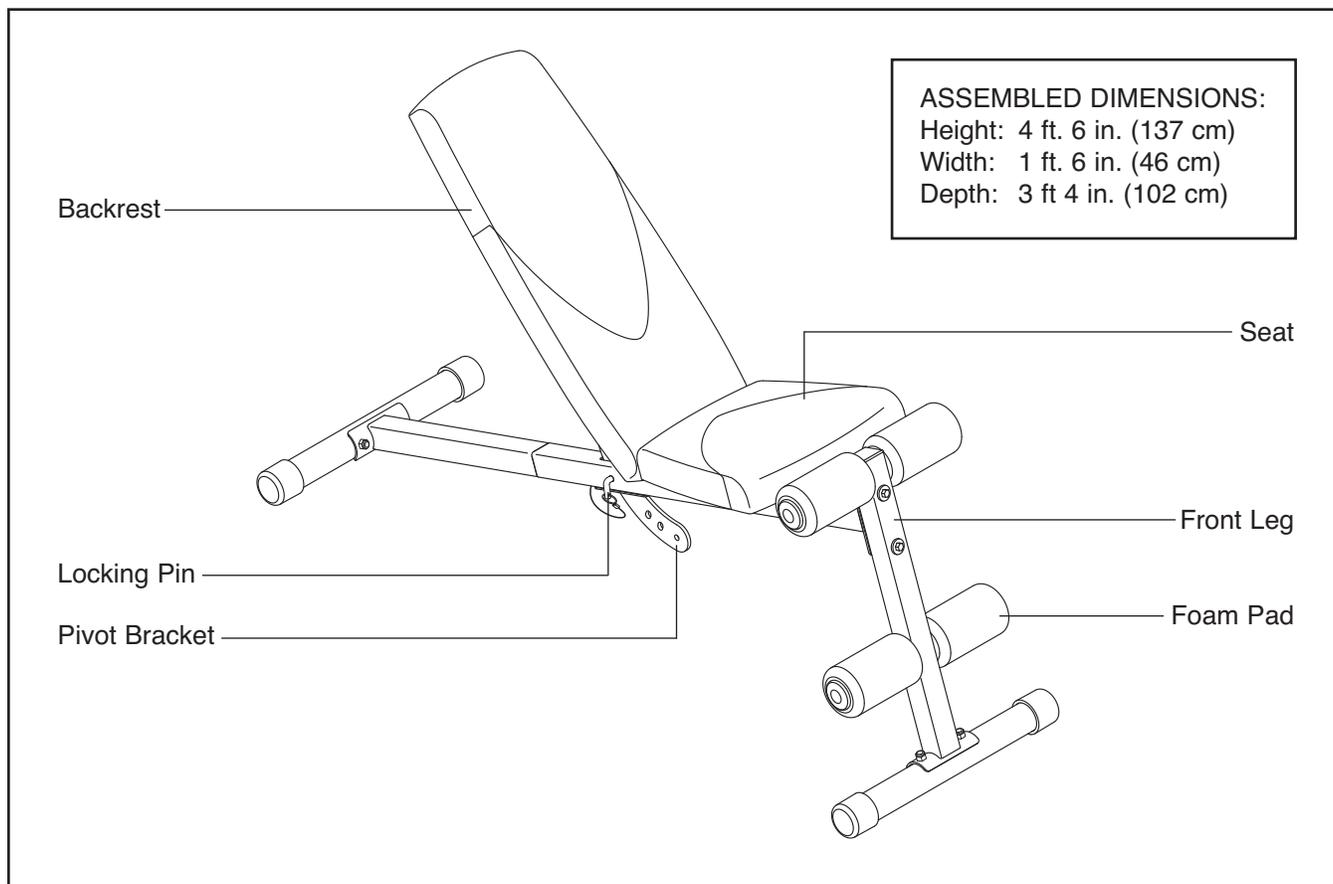

BEFORE YOU BEGIN

Thank you for selecting the versatile WEIDER PRO™ 255 L weight bench. The 255 L weight bench is designed to help develop the major muscle groups of the upper body. Whether your goal is to tone your body, build dramatic muscle size and strength, or improve your cardiovascular system, the weight bench will help you to achieve the specific results you want.

For your benefit, read this manual carefully before using the weight bench. If you have questions after

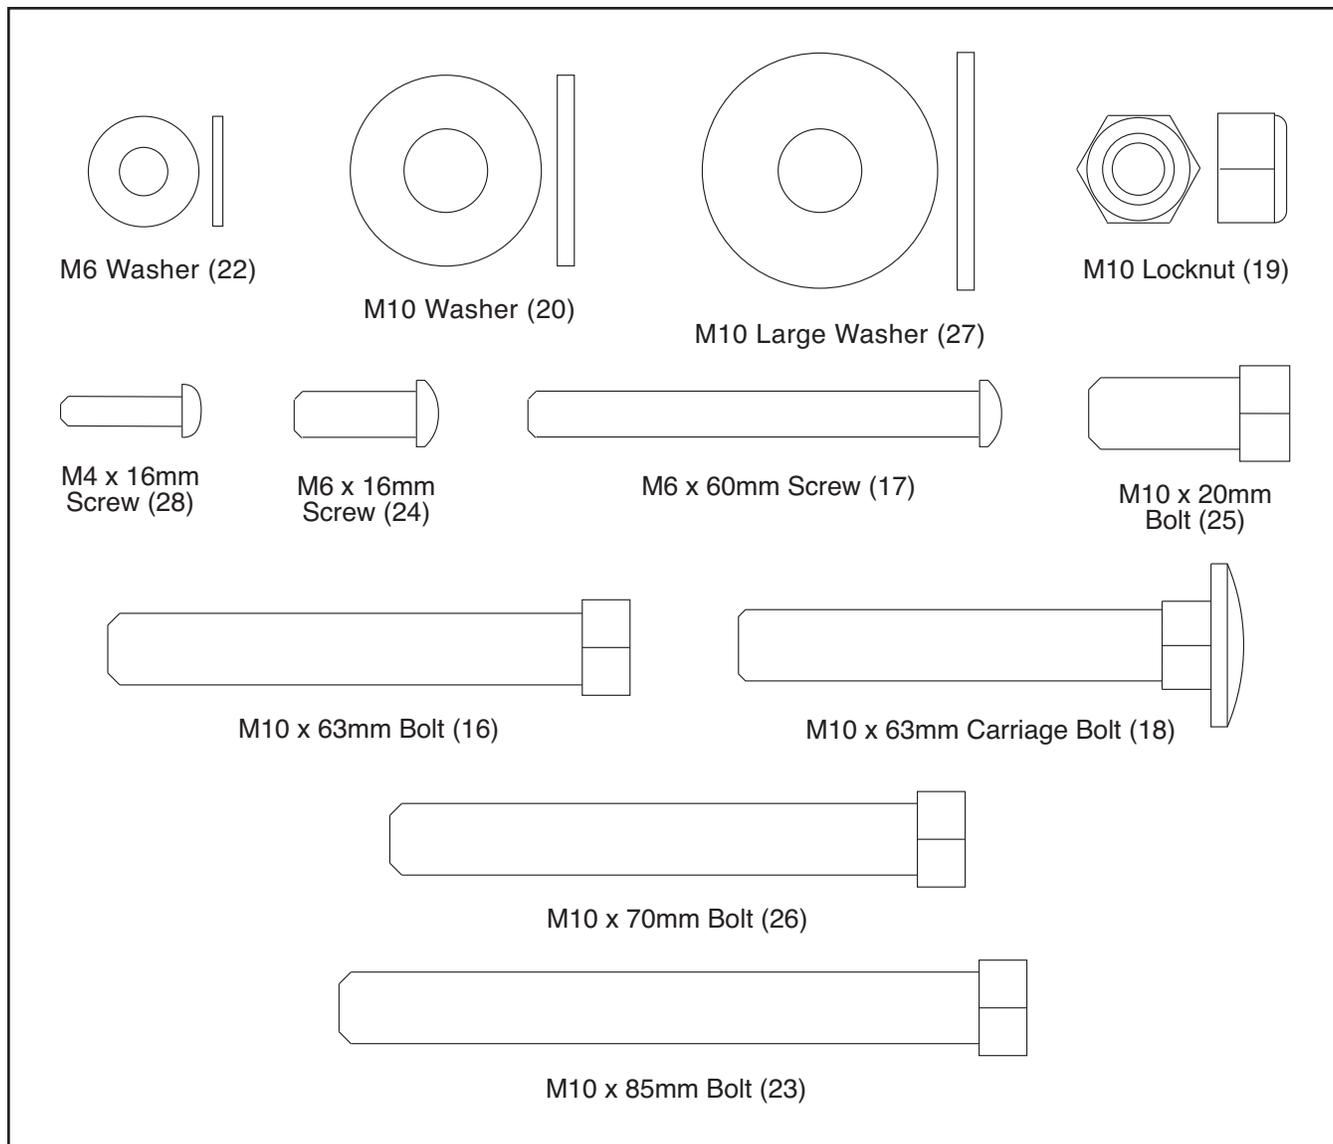

reading this manual, please see the front cover of this manual. To help us assist you, note the product model number and serial number before contacting us. The model number and the location of the serial number decal are shown on the front cover of this manual.

Before reading further, please look at the drawing below and familiarize yourself with the parts that are labeled.

PART IDENTIFICATION CHART

See the drawings below to identify small parts used in assembly. The number in parentheses by each drawing is the key number of the part, from the PART LIST near the end of this manual. **IMPORTANT: If you cannot find a part in the hardware kit, check to see if it has been preassembled. To avoid damaging parts, do not use power tools for assembly.**

ASSEMBLY

- To hire an authorized service technician to assemble the weight bench in your home, call 1-800-445-2480.
- Assembly requires two persons.
- Because of its size and weight, assemble the weight bench in the location where it will be used. Make sure that there is enough clearance to walk around the weight bench as you assemble it.
- Place all parts in a cleared area and remove the packing materials. Do not dispose of the packing materials until you complete all assembly steps.

- To identify small parts, see page 5.
- The following tools (not included) may be required for assembly:

two adjustable wrenches 

one rubber mallet 

one standard screwdriver 

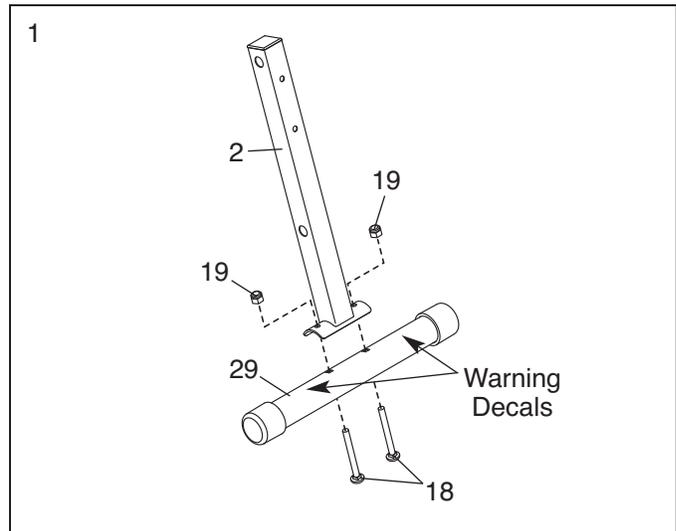

one Phillips screwdriver 

Assembly will be more convenient if you have a socket set, a set of open-end or closed-end wrenches, or a set of ratchet wrenches.

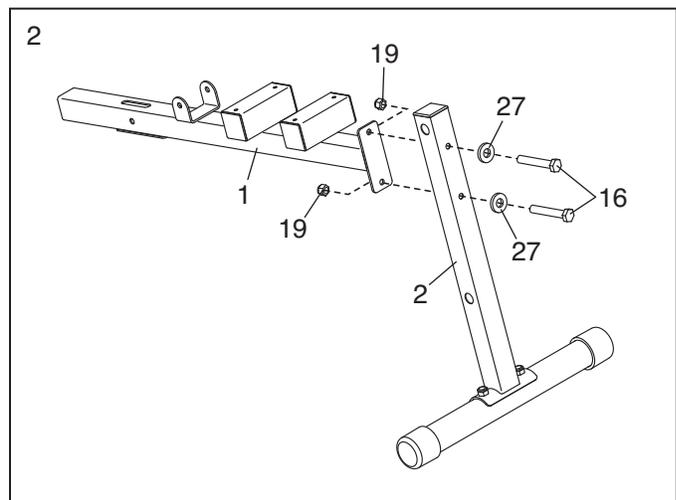

1. **To make assembly easier, read the assembly tips in the box above.**

Orient the Front Stabilizer (29) so that the warning decals are facing upward.

Attach the Front Stabilizer (29) to the Front Leg (2) with two M10 x 63mm Carriage Bolts (18) and two M10 Locknuts (19). **Do not tighten the Locknuts yet.**

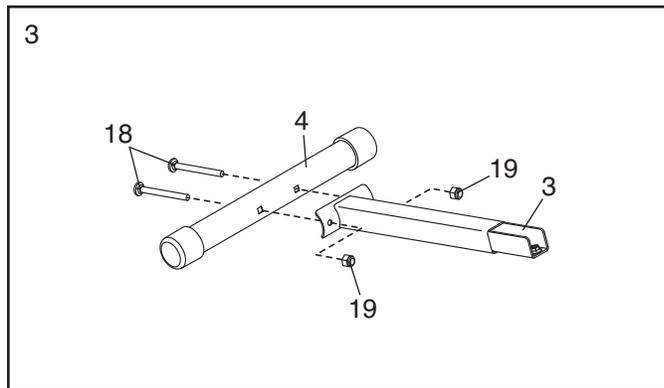

2. Attach the Front Leg (2) to the Frame (1) with two M10 x 63mm Bolts (16), two M10 Large Washers (27), and two M10 Locknuts (19). **Do not tighten the Locknuts yet.**

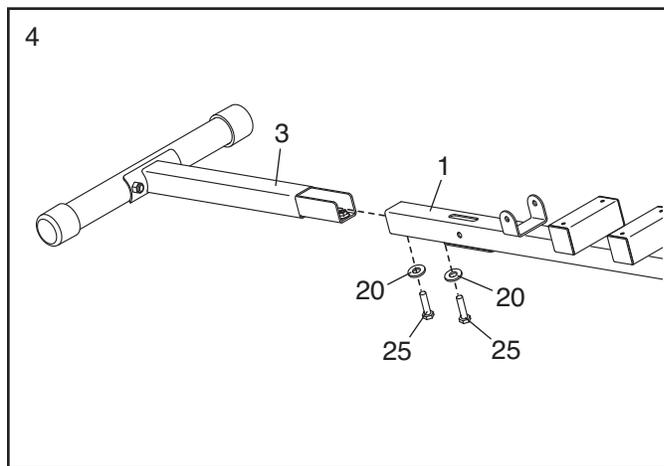

3. Orient the Rear Leg (3) as shown.

Attach the Rear Stabilizer (4) to the Rear Leg (3) with two M10 x 63mm Carriage Bolts (18) and two M10 Locknuts (19). **Do not tighten the Locknuts yet.**

4. Attach the Rear Leg (3) to the Frame (1) with two M10 x 20mm Bolts (25) and two M10 Washers (20).

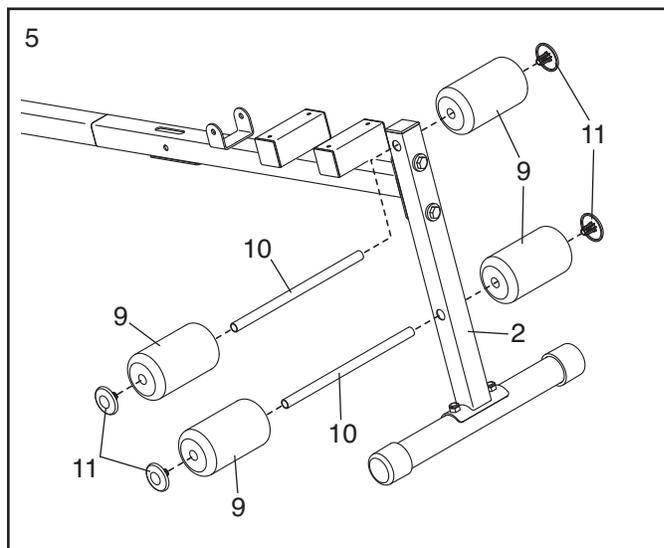

See steps 1–3. Tighten the M10 Locknuts (19).

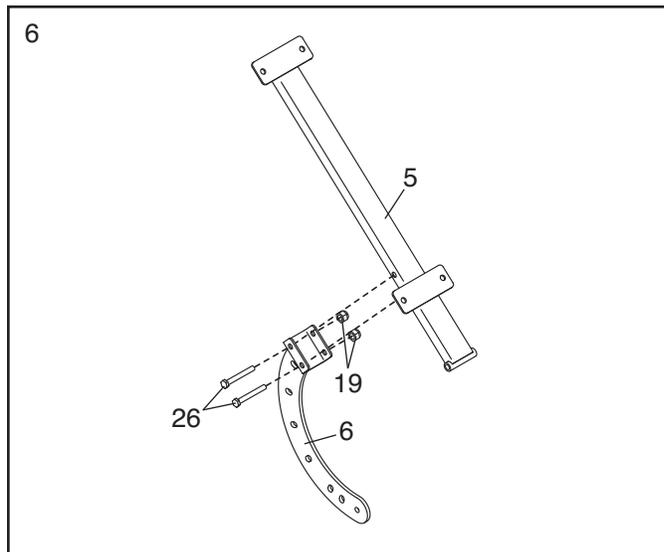

5. Insert the two Pad Tubes (10) into the Front Leg (2).

Wet the ends of the Pad Tubes (10) with soapy water, and slide two Foam Pads (9) onto each Pad Tube.

Then, press a Pad Cap (11) into each Foam Pad (9).

- Attach the Pivot Bracket (6) to the Backrest Frame (5) with two M10 x 70mm Bolts (26) and two M10 Locknuts (19). **Do not tighten the Locknuts yet.**

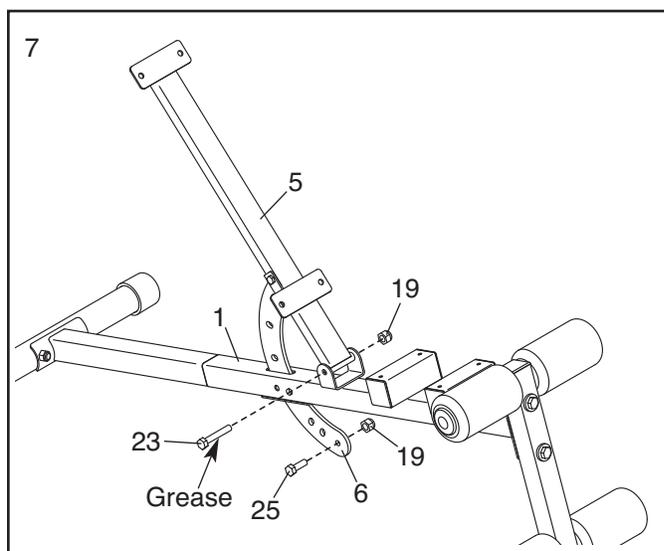

- Apply some of the included grease to an M10 x 85mm Bolt (23).

Insert the Pivot Bracket (6) into the slot in the Frame (1). Attach the Backrest Frame (5) to the Frame with the M10 x 85mm Bolt (23) and an M10 Locknut (19). **Do not overtighten the Locknut; the Backrest Frame must pivot easily.**

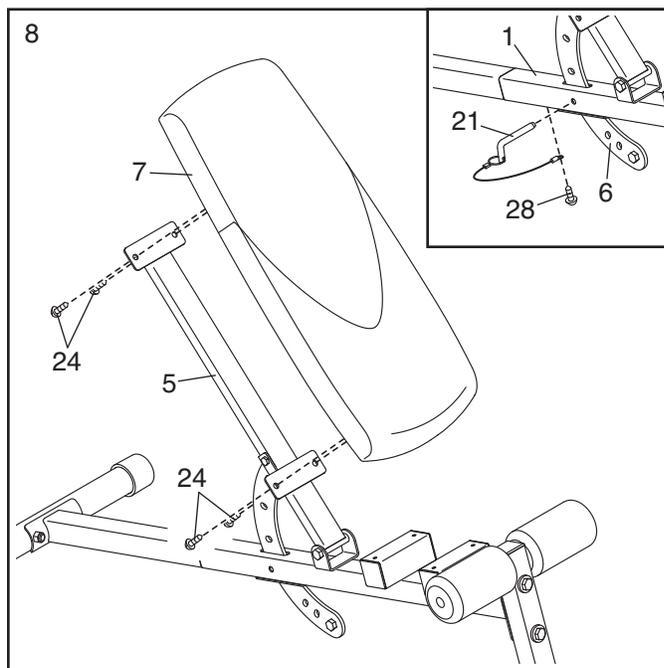

Then, attach an M10 x 20mm Bolt (25) and an M10 Locknut (19) to the hole in the end of the Pivot Bracket (6).

See step 6. Tighten the M10 Locknuts (19).

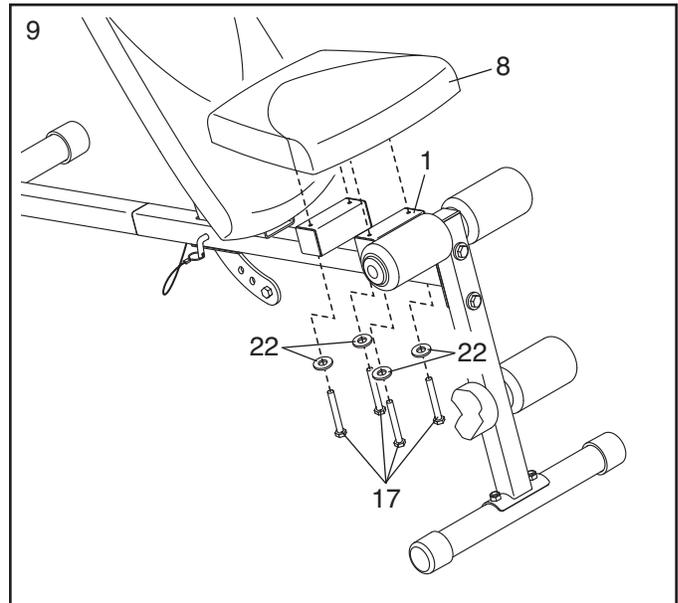

- Orient the Backrest (7) as shown. Attach the Backrest to the Backrest Frame (5) with four M6 x 16mm Screws (24).

See the inset drawing. Attach the tether on the Locking Pin (21) to the underside of the Frame (1) with an M4 x 16mm Screw (28). Next, insert the Locking Pin into the Frame and into an adjustment hole in the Pivot Bracket (6).

9. Attach the Seat (8) to the Frame (1) with four M6 x 60mm Screws (17) and four M6 Washers (22).

10. Make sure that all parts are properly tightened before you use the weight bench.

ADJUSTMENT

See the EXERCISE GUIDELINES on page 10 for important exercise information, and refer to the accompanying exercise guide to see the correct form for several exercises.

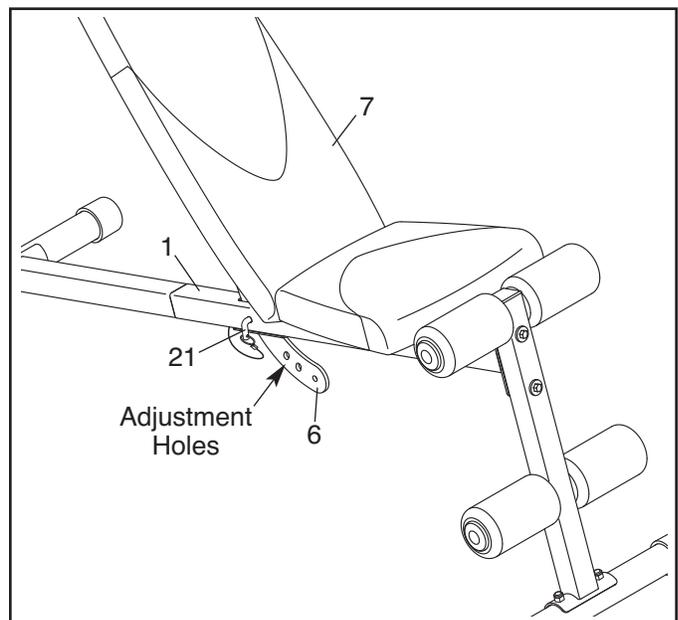

Make sure that all parts are properly tightened each time the weight bench is used. Replace any worn parts immediately. The weight bench can be cleaned with a damp cloth and a mild, non-abrasive detergent; **do not use solvents to clean the weight bench.**

ADJUSTING THE BACKREST

The Backrest (7) can be used in a declined position, a level position, or any of four inclined positions.

To adjust the Backrest (7), first remove the Locking Pin (21) from the Frame (1). Then, pivot the Backrest to the desired position, and reinsert the Locking Pin into the Frame and into an adjustment hole in the Pivot Bracket (6).

⚠ WARNING: Make sure that the Locking Pin (21) is fully inserted into the Frame (1) and into the Pivot Bracket (6).

EXERCISE GUIDELINES

FOUR TYPES OF STRENGTH WORKOUTS

Note: A “repetition” is one complete cycle of an exercise, such as one sit-up. A “set” is a series of repetitions.

Muscle Building—Work your muscles near their maximum capacity and progressively increase the intensity of your exercise. Adjust the intensity level of an individual exercise as follows:

- Change the amount of resistance used.
- Change the number of repetitions or sets performed.

Use your own judgment to determine the amount of resistance that is right for you. Begin with 3 sets of 8 repetitions for each exercise you perform. Rest for 3 minutes after each set. When you can complete 3 sets of 12 repetitions without difficulty, increase the amount of resistance.

Toning—Tone your muscles by working them to a moderate percentage of their capacity. Select a moderate amount of resistance and increase the number of repetitions in each set. Complete as many sets of 15 to 20 repetitions as possible without discomfort. Rest for 1 minute after each set. Work your muscles by completing more sets rather than by using high amounts of resistance.

Weight Loss—To lose weight, use a low amount of resistance and increase the number of repetitions in each set. Exercise for 20 to 30 minutes, resting for a maximum of 30 seconds between sets.

Cross Training—Combine strength training and aerobic exercise by following this type of program:

- Strength training workouts on Monday, Wednesday, and Friday.
- 20 to 30 minutes of aerobic exercise on Tuesday and Thursday.
- One full day of rest each week to give your body time to regenerate.

WORKOUT GUIDELINES

Familiarize yourself with the equipment and learn the proper form for each exercise. Use your own judgment to determine the appropriate length of time for each

workout, and the numbers of repetitions and sets to complete. Progress at your own pace and be sensitive to your body’s signals. Follow each workout with at least one day of rest.

Warming Up—Start with 5 to 10 minutes of stretching and light exercise. A warm-up increases your body temperature, heart rate, and circulation in preparation for exercise.

Working Out—Include 6 to 10 different exercises in each workout. Select exercises for every major muscle group, emphasizing areas that you want to develop. To give balance and variety to your workouts, vary the exercises from workout to workout.

Cooling Down—Finish with 5 to 10 minutes of stretching. Stretching increases the flexibility of your muscles and helps to prevent post-exercise problems.

EXERCISE FORM

Move through the full range of motion for each exercise and move only the appropriate parts of the body. Perform the repetitions in each set smoothly and without pausing. The exertion stage of each repetition should last about half as long as the return stage. Exhale during the exertion stage of each repetition and inhale during the return stroke. Never hold your breath.

Rest for a short period of time after each set:

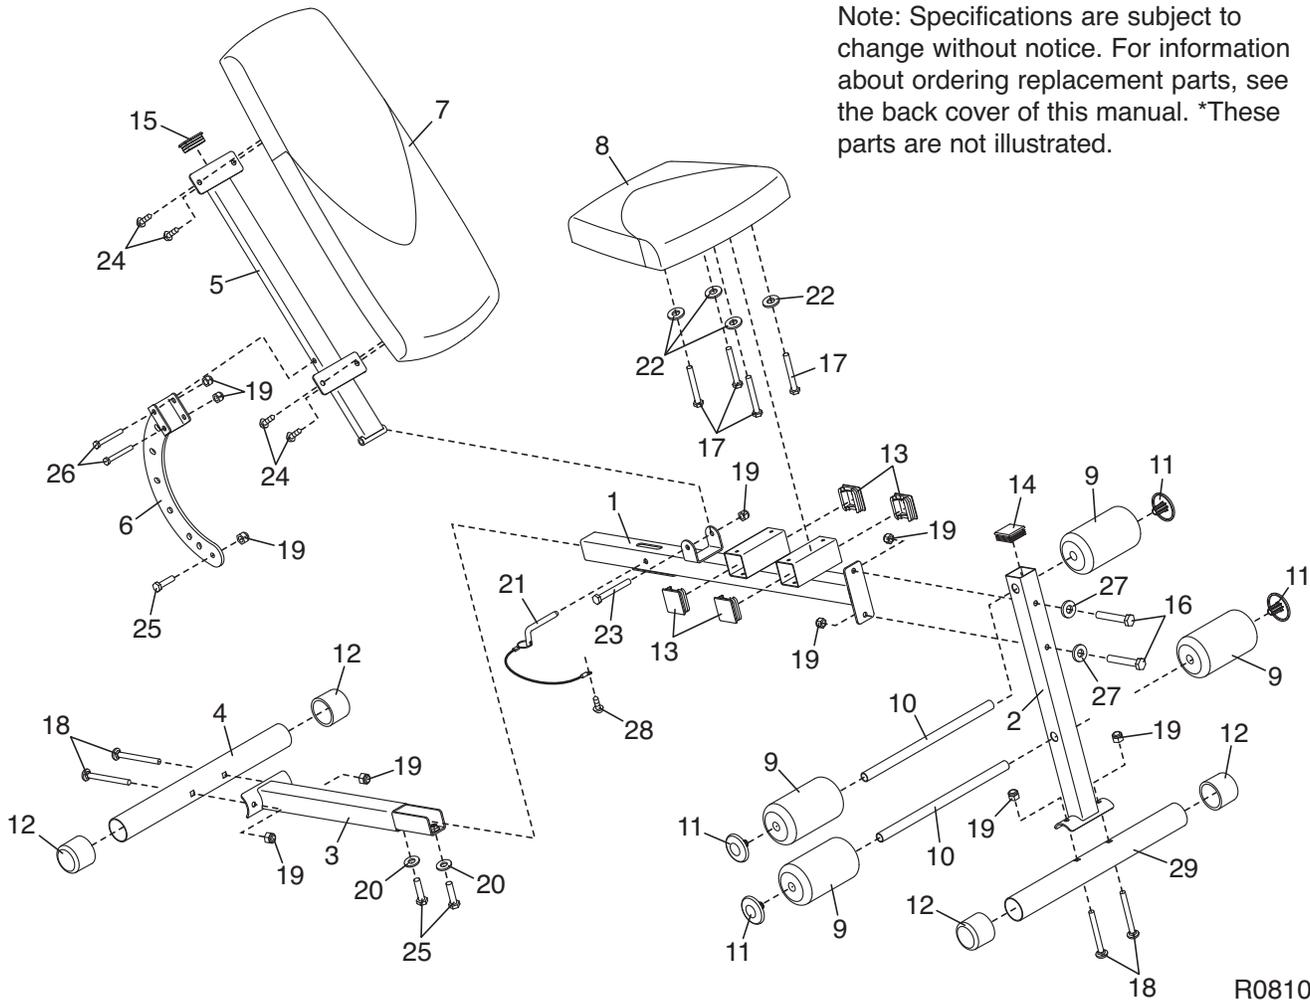

- Muscle Building—Rest for three minutes after each set.
- Toning—Rest for one minute after each set.
- Weight Loss—Rest for 30 seconds after each set.

STAYING MOTIVATED

For motivation, keep a record of each workout. Write the date, the exercises performed, the resistance used, and the numbers of sets and repetitions completed. Record your weight and key body measurements once a month. To achieve good results, make exercise a regular and enjoyable part of your life.

PART LIST/EXPLODED DRAWING—Model No. WEBE49310.0

Key No.	Qty.	Description	Key No.	Qty.	Description
1	1	Frame	17	4	M6 x 60mm Screw

ORDERING REPLACEMENT PARTS

To order replacement parts, please see the front cover of this manual. To help us assist you, be prepared to provide the following information when contacting us:

- the model number and serial number of the product (see the front cover of this manual)
- the name of the product (see the front cover of this manual)
- the key number and description of the replacement part(s) (see the PART LIST and the EXPLODED DRAWING near the end of this manual)

LIMITED WARRANTY

IMPORTANT: You must register this product within 30 days of the purchase date to avoid added fees for service needed under warranty. Go to www.weiderservice.com/registration.

ICON Health & Fitness, Inc. (ICON) warrants this product to be free from defects in workmanship and material, under normal use and service conditions. Parts and labor are warranted for ninety (90) days from the date of purchase.

This warranty extends only to the original purchaser. ICON's obligation under this warranty is limited to repairing or replacing, at ICON's option, the product through one of its authorized service centers. All repairs for which warranty claims are made must be preauthorized by ICON. If the product is shipped to a service center, freight charges to and from the service center will be the customer's responsibility. For replacement parts shipped while the product is under warranty, the customer will be responsible for a minimal handling charge. For in-home service, the customer will be responsible for a minimal trip charge. This warranty does not extend to any damage to a product caused by or attributable to freight damage, abuse, misuse, improper or abnormal usage, or repairs not provided by an ICON authorized service center; to products used for commercial or rental purposes or as store display models; or to products transported or purchased outside the US. No other warranty beyond that specifically set forth above is authorized by ICON.

ICON is not responsible or liable for indirect, special, or consequential damages arising out of or in connection with the use or performance of the product; damages with respect to any economic loss, loss of property, loss of revenues or profits, loss of enjoyment or use, or costs of removal or installation; or other consequential damages of whatsoever nature. Some states do not allow the exclusion or limitation of incidental or consequential damages. Accordingly, the above limitation may not apply to you.

The warranty extended hereunder is in lieu of any and all other warranties, and any implied warranties of merchantability or fitness for a particular purpose are limited in their scope and duration to the terms set forth herein. Some states do not allow limitations on how long an implied warranty lasts. Accordingly, the above limitation may not apply to you.

This warranty gives you specific legal rights. You may also have other rights that vary from state to state.

ICON Health & Fitness, Inc., 1500 S. 1000 W., Logan, UT 84321-9813
