Product Care & Storage

Your new poolside game has been made with many non-corrosive quality materials and should provide you with many years of enjoyment with proper care. However, sun and chemically treated pool water (chlorine) are natural enemies of many synthetic materials. For maximum life of your game, please do the following:

1. Do not leave the game ball floating around the pool when not in use.
2. After use, wash away the chlorine pool water with plain water using a garden hose.
3. When not in use, store your game in a dry place away from direct sunlight.

Recommended Tools

Flat-head
Screwdriver

Washers x3

1/4-20 x 1" Bolts x3

1/4-20 x 2" Bolts x5

Step 1

- Insert Upright into Base.
Secure with (3) 1/4 - 20 x 1" Bolts and Washers.

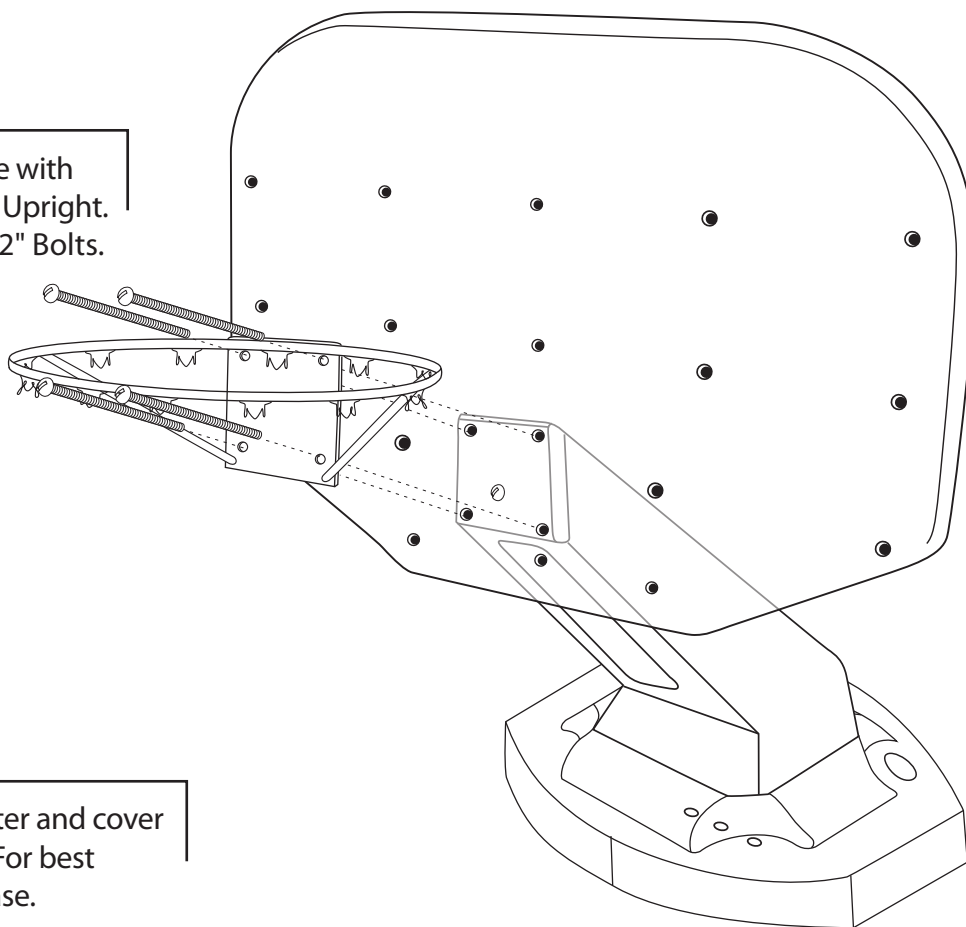

Step 2

- Attach Backboard to Upright using (1) 1/4 - 20 x 2" Bolt through the center hole on the Backboard.

Step 3

- Align holes on Hoop Base with holes on Backboard and Upright.
Secure with (4) 1/4 - 20 x 2" Bolts.

Step 4

- Attach Net to Hoop.

Step 5

- Fill Base with sand or water and cover opening with Base Cap. For best results, use sand to fill base.

Step 6

- Use Ball Needle and a hand pump (not included) to inflate Ball.

Step 7

- Place NO SLAM DUNK label on front of Base
