ASSEMBLY INSTRUCTIONS

Please remove all components from the package and confirm that all parts are included.
Please reference the frame assembly diagram below.
The netting should be added during the frame assembly as noted.

- Slide Tube A into the top sleeve of the net (E). The top sleeve will have the Franklin logo on the front.
- Place a corner (C) onto each end of Tube A.
- Before attaching another Tube A to the corner (C), slide the tubing through the sleeve net sides. Then attach to the corner (C). Repeat for both the left and right sides.
- Then attach another corner (C) to the ends of these Tubes.
- Slide the Tubes (B) through the bottom net sleeves on both the right and left sides. Attach to the corners (C).
- Connect both Tubes (B) together with the Back Corner (D).
- Use the ground stakes (F) for extra stability when desired.
