RETURN POLICY

Retailers, dealers and distributors must inspect the product to ensure the product is eligible for return. A Return Authorization (RA) Form is required for all returns to Crosman Corporation.

Returns must be in their original packaging to receive returns credit. A copy of the register receipt showing original date of purchase must be attached. Credit memo pricing will be based on the pur-

chase price 6 months prior to the return date if a register receipt is not provided to Crosman with the returned product. Returns of product where the customer notes no defect will not be accepted if the packaging is damaged, altered or contains any type of stickers not part of the original packaging.

Safety Note: When you are visually inspecting the airgun, **ALWAYS** follow safe gun handling rules.

ALWAYS point an airgun in a safe direction
ALWAYS treat an airgun as if it were loaded
ALWAYS keep an airgun "ON SAFE"
ALWAYS keep your finger off the trigger and out of the trigger guard

No product will be accepted if any of the following damages are visible:

- Sights missing or damaged
- Gun broken in two or more pieces
- Damaged product resulting from clear consumer neglect, including but not limited to, scratches (larger than the width of a dime), chipped or broken stock end (butt plate) and bent barrels
- Paint, plating or any other customer-alterations to the finish
- Rust on any portion of the airgun
- Disassembled product
- Mud in barrel
- Missing scope, red dot sight, laser, flashlight, bipod or any other non-consumable item that was originally included (package will always show original components).

The following consumable products will not be accepted if any CO₂ POWERLET® or cylinder in the package is pierced:
