WORLD'S MOST POWERFUL SWING ANALYZER

## TRAIN SMART. IMPROVE FAST.

Meet the next generation of Zepp Golf, featuring the revolutionary Smart Coach training system. Simply take a few swings and Zepp will instantly evaluate the areas where you can improve and offer you training programs that are tailored to your swing. Just attach the sensor to your glove and let Zepp help you become the golfer you aspire to be.

3D Swing Analysis

Instant Evaluations

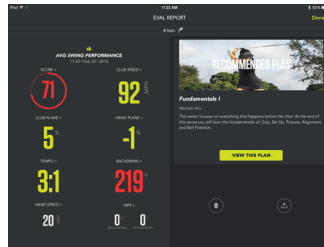

Smart Coach

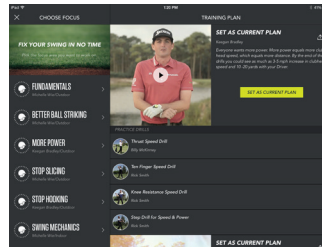

### SEE YOUR SWING LIKE NEVER BEFORE.

Instantly review your swing in 3D from any angle and analyze the most critical metrics for playing your best.

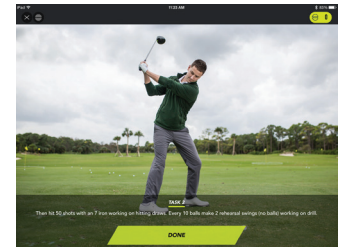

### PERSONAL GUIDANCE IS ONLY A FEW SWINGS AWAY.

Take a swing evaluation and Zepp will identify the areas you can improve the most based on your personal data.

### LEARN TO BE THE BEST. FROM THE BEST.

Smart coach is equipped with professional training programs to help you improve every aspect of your game.

### TRACK IMPROVEMENT. SEE RESULTS.

Zepp will guide you through detailed lesson plans then test your swing to show you real time improvement.

## YOUR SWING REVEALED INSTANTLY.

### CLUB SPEED

Measure your club speed and learn how to gain yardage off the tee or fairway.

### HAND PLANE

Learn how your hands play a major role in defining the shape of your swing.

### TEMPO

Measure the ratio of time it takes to make your backswing vs. downswing. Most pros are 3:1.

### 3D ANALYSIS

See what really happens during your swing and compare your technique to the best.

### CLUB PLANE

Discover the benefits of matching the plane of your downswing to the plane of your backswing.

### BACKSWING POSITION

Track the length and consistency of your backswing. Most pros shoot for 270°.

### HIP ROTATION

Place your phone in your pocket to measure how much your hips rotate during your backswing and to impact.

### VIDEO ANALYSIS

Capture your swing in HD video and analyze with our frame-by-frame breakdown.
