

KICKSTAND™

TRAILER TONGUE STAND

MPG467

Installation Instructions - Please Read Before Beginning

Place the KickStand under the trailer tongue and just behind the skid. Position so that the two sets of inner holes on the bottom mounting plate are aligned with the tongue.

Place the Top Mounting Plate over the tongue and aligned with the bottom mounting plate.

Insert a Mounting Bolt down through the inner holes of both mounting plates and thread into a Washer and Nut. Hand tighten only.

Note: The washer and nut must be held in place under the bottom mounting plate while the bolt is hand screwed down and through them.

KICKSTAND™

TRAILER TONGUE SUPPORT

Insert and hand tighten the remaining three Bolts, Washers and Nuts.

Using a 1/2" socket or wrench, finish by firmly tightening all four Bolts.

Tip:
To improve performance, apply 2-3 drops of SAE 30 engine oil to each side of the wheel and pivot assembly at least semi-annually.

To place in the transport position, lift up on the trailer tongue while pulling down on the spring loaded leg.

Swivel the leg up until the both tabs lock in the upper position of the housing.

To place in the standing position, pull the spring loaded leg toward the back of the trailer and swivel down.

The tabs in the leg will lock into the lower notches of the housing.

Caution: Block the wheels and properly support the trailer tongue during installation. Before mounting the stand, check for interference with the coupler, hitch, lights and cables. Test the stand location in both vertical and horizontal positions for turn angle and ground clearance.

DISCLAIMER * WARNING

All trailers and trailer accessory systems are potentially hazardous. Any persons using MALONE AUTO RACKS products are personally responsible for following the given directions for use and installation and accepts full and complete responsibility for any and all damages or injury of any kind including death, which may result from use.

Limited Five Year Warranty

The Malone Auto Racks (Malone) Limited Five Year Warranty covers certain Malone-brand products that have been specifically identified for inclusion in the program and is effective for five years from the date of purchase for the original retail purchaser. This warranty is terminated after five years from the date of purchase, or, when the original retail purchaser sells or otherwise transfers the product to any other person or entity during the five year warranty period.

Subject to the limitations and exclusions described in this warranty, Malone will remedy defects in materials and/or workmanship by repairing or replacing, at its option, a defective product without charge for parts or labor. Malone may elect, at its option, not to repair or replace a defective product but rather issue to the original retail purchaser a refund equal to the purchase price paid for the product, or credit to be used toward the purchase of a replacement Malone product.

This warranty does not cover, and no warranty is given for defects or problems caused by normal wear and tear which includes but is not limited to surface (aesthetic) metal corrosion, scratches, dents, deformities, accidents, unlawful vehicle operation, or any modification of a product not performed or authorized in writing by Malone.

In addition, this warranty does not cover problems resulting from conditions beyond Malone's control including, but not limited to, theft, misuse, overloading, or failure to assemble, mount or use the product in accordance with Malone's written instructions or guidelines included with the product available to the original retail purchaser.

No warranty is given for Malone products purchased outside of the United States, Canada and Mexico.

If the product is believed to be defective, the original retail purchaser should contact the Malone dealer from whom it was purchased, who will give the original retail purchaser instructions on how to proceed. If the original retail purchaser is unable to contact the Malone dealer, or the dealer is not able to remedy the defect, the original retail purchaser should contact Malone by email at technical@maloneautoracks.com.

In the event that the product must be returned to Malone, a technician at the email address above will provide the original purchaser with return shipping instructions. The original purchaser will be responsible for the cost of mailing the product to Malone. In order to receive any remedy under this warranty, a copy of the original purchase receipt, a description of the defect and a return address must be provided.

Disclaimer of Liability

Repair or replacement of a defective product, or the issue of a refund or credit (as determined by Malone) is the original retail purchaser's exclusive remedy under this warranty. Damage to original purchaser's vehicle, cargo, or property, and/or to any other person or property is not covered by this warranty.

This warranty is expressly made in lieu of any and all other warranties, express or implied, including the warranties of merchantability and fitness for a particular purpose.

Malone's sole liability is limited to the remedy set forth above. In no event will Malone be liable for any direct, indirect, consequential, incidental, special, exemplary, or punitive damages, or, for any other damages of any kind or nature (including but not limited to, lost profits, lost income or lost sales).

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not be applicable. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

In addition, all vehicular transports are potentially hazardous. Any person using MALONE products are personally responsible for following the given directions for use, installation and accepts full responsibility for any and all damages or injury of any kind including death, which may result from their use.
