Boys' Fit Guide

How To Measure

CHEST: Place the tape measure under your arms at the fullest part of your chest, wrap around your body until your fingers meet and mark the measurement.

WAIST: Measure around your natural waistline-right above your hips. Be careful not to squeeze too tight to allow a little give.

HIPS: With your feet together, measure around the fullest part of your hips to ensure you'll have enough room to move comfortably

Loose

Full, loose fit for enhanced range of motion & breathable comfort no matter where your workout takes you.

Fitted

Sits close to the skin for a streamlined fit without the squeeze of compression.
