MEASURING FOR YOUR SIZE

MEASURING YOUR SIZE IS RELATIVELY SIMPLE. WE WILL WANT TO START OUT BY WRAPPING A MEASURING TAPE AROUND THE CIRCUMFERENCE OF YOUR HEAD. IDEALLY YOU WANT IT TO GO THROUGH THE MIDDLE OF YOUR FOREHEAD AND AROUND A 1/8 OF AN INCH ABOVE YOUR EAR. (WE KNOW THAT EVERYONE WEARS THEIR HAT DIFFERENTLY BUT THIS GIVES YOU A STRONG BASE.) MAKE SURE THAT YOU HOLD THE TAPE FIRMLY, HOWEVER NOT TO TIGHT YOU WANT THE HAT TO FIT COMFORTABLY ON YOUR HEAD.
