

## General Sizing Tips:

### Size up

We recommend ordering Brooks running shoes 1/2 size to one size larger than normal dress shoes

### Select width

For women's footwear, B is the standard width. 2A is narrow, D is wide, and 2E is extra wide. For men's footwear, D is standard, B is narrow, 2E is wide, and 4E is extra wide.

### Unisex sizing

Ladies, when ordering "unisex" shoes, order 1.5 sizes smaller than your usual women's size.
