

LEFT HEEL

# REEBOK KIDS SIZE CHART

## FIND THE RIGHT FIT

1

PRINT THIS PDF AT 100% ON  
STANDARD 8.5" X 11" PAPER.

2

LINE UP YOUR CHILD'S HEELS WITH THE DOTTED  
LINES, MAKING SURE THEIR FEET ARE LAYING FLAT  
ON THE GROUND AND THEIR TOES ARE NOT CURLED.

3

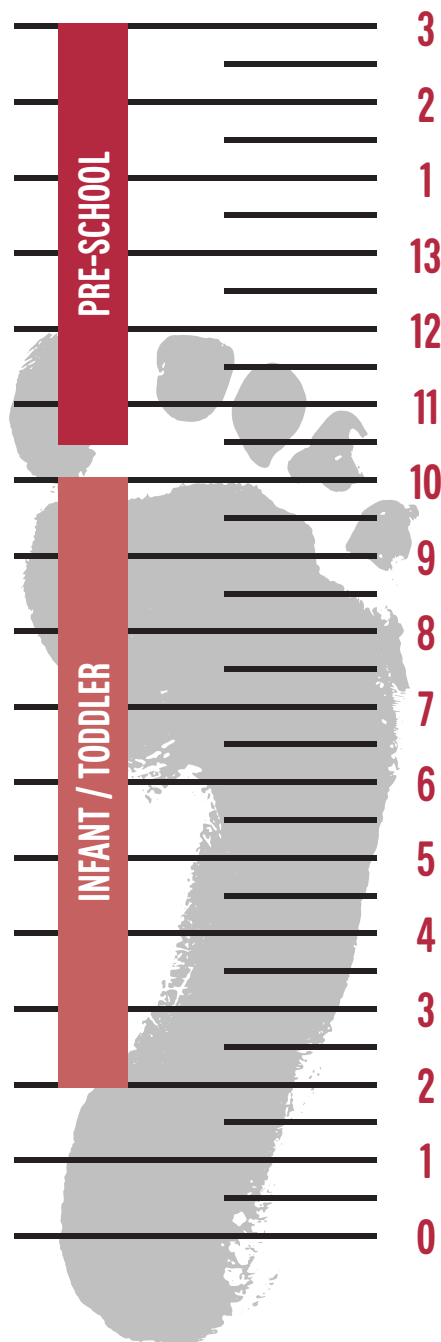

DRAW A LINE IN FRONT OF YOUR CHILD'S LONGEST  
TOES. IT IS COMMON TO HAVE ONE FOOT LONGER  
THAN THE OTHER, SO THEIR LONGER FOOT SHOULD  
BE USED TO MEASURE PROPER SHOE SIZE.

4

ADD AN EXTRA 0.5CM FOR COMFORT AND  
GROWTH, AND REMEMBER TO ROUND UP A SIZE  
IF YOUR CHILD IS IN BETWEEN SIZES.

5

DON'T WORRY!  
IF YOUR ORDER IS NOT THE PERFECT FIT  
ALL RETURNS ARE FREE OF CHARGE.
