

CONVERSE KIDS' CHUCK TAYLOR SNEAKERS

MEASURE YOUR FEET

Converse sizing is unique and sneaker specific. **Converse Kids Chuck Taylor All Star Sneakers are expected to run a half-size large.**

Wear the type of socks you'll wear with your sneakers and measure feet in the afternoon (feet typically swell during the day). Distribute weight evenly before measuring.

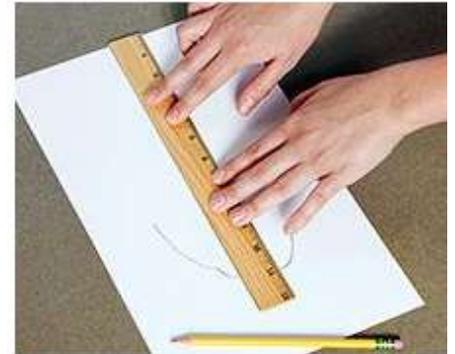

STEP 1

Stand up straight on a hard surface with your heel against the wall and a piece of blank paper taped to the floor, flush against the wall beneath your foot.

STEP 2

Have someone mark the longest part of your foot (referred to as heel-to-toe length) on the paper with a pen or pencil, or measure yourself if necessary. Repeat with the other foot, as right and left sizes may be different.

STEP 3

Use a ruler to measure the heel-to-toe length you marked for each foot.
