Limited Warranty - US

General:
 Part or model specifications are subject to change without notice.

This Limited Warranty is the only warranty for the product. ALL WARRANTIES OTHER THAN STATED HEREIN ARE DISCLAIMED INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, TO THE EXTENT ALLOWABLE BY APPLICABLE LAW. ALL LIABILITY FOR INCIDENTAL, PUNITIVE, SPECIAL, OR CONSEQUENTIAL DAMAGES ARE EXPRESSLY DISCLAIMED, TO THE EXTENT ALLOWABLE BY APPLICABLE LAW.

The only uses for this product are described in this manual.

Warranty registration is not required.

The Limited Warranty extends only to the original consumer and is not transferable to anyone else.

What does this Limited Warranty cover?
 This Limited Warranty covers defects in workmanship and materials for all parts of the product except those indicated below as not warranted.

What must you do to keep the Limited Warranty in effect?
This Limited Warranty is effective only if:

- Product is completely and correctly assembled.
- Product is used under normal conditions for its intended purpose (see the following section for excluded activities).
- Product receives all necessary maintenance and adjustments.
- Product is used for general transportation and recreational use only.

What is not covered by this Limited Warranty?
 This product is designed for recreational use only. This Limited Warranty does not cover normal wear and tear, normal maintenance items, or any damage, failure, or loss that is caused by improper assembly, maintenance, adjustment, storage, or use of the product. This Limited Warranty does not extend to future performance.

This Limited Warranty will be void if the product is ever:

- Used in any competitive sport
- Used for stunt riding, jumping, aerobatics or similar activity
- Modified in any way

- Modified with the addition of a motor
- Ridden by more than one person at a time
- Rented, sold, or given away
- Used in a manner contrary to the instructions and warnings in this Owner's Manual

What will The Manufacturer do?
 Manufacturer's sole and exclusive obligation under this Limited Warranty is to repair and/or replace, at its sole option, any covered defect in workmanship or materials.

How do you get service?
 Contact the Customer Service Department.

- See included list for Customer Contact information.

What rights do you have?
 This Limited Warranty gives you specific legal rights. You may also have other rights which vary from State to State.

For how long does this Limited Warranty last?

- When used in this Limited Warranty, the phrase "for life" means for as long as the original consumer owns the product.

All components are warranted for 6 months from the date of purchase.

Repair and Service

WARNING:

- Inspect the product frequently. Failure to inspect the product and to make repairs or adjustments, as necessary, can result in injury to the rider or to others. Make sure all parts are correctly assembled and adjusted as written in this manual and any “Special Instructions”.
- Immediately replace any damaged, missing, or badly worn parts with original equipment.
- Make sure all fasteners are correctly tightened as written in this manual and any “Special Instructions”. Parts that are not tight enough can be lost or operate poorly. Over tightened parts can be damaged. Make sure any replacement fasteners are the correct size and type.
- Self-locking nuts and other self-locking fasteners may lose their effectiveness when re-used.

NOTE: Have a bicycle service shop make any repairs or adjustments for which you do not have the correct tools or if the instructions in this manual or any “Special Instructions” are not sufficient for you.

Safety and Warning Information

This product, like all wheeled vehicles, will provide safe, enjoyable transportation and recreation when used and maintained properly. Like bicycling, skateboarding, and in-line skating, riding this product can be dangerous even under the best of circumstances. We do not want you to get hurt. Please follow these safety rules.

 This symbol is important. It is the WARNING symbol. The warning symbol precedes safety instructions. Make sure the child understands these instructions. Failure to follow these instructions may result in injury to the rider or to others, or damage to the product.

WARNING TO AVOID SERIOUS INJURY:

- Adult assembly required.
- CHOKING HAZARD: Small parts. Not for children under 3 years.
 - Keep small loose parts and plastic bags out of the reach of children.
 - Not suitable for children under 3 years as foam pieces may break off and pose a choking hazard. Keep small children away when assembling.
- An adult must unfold and fold this product (as equipped).
- Continuous adult supervision required.
- Never use near motor vehicles.
- Never ride with more than one person.
- Excessive weight may cause a hazardous or unstable condition.
- Protective equipment should be worn. Do not allow a child to ride without a CPSC approved helmet, with the chinstrap securely fastened. Always wear shoes when using this product.
- Not to be use in traffic.
- Do not allow a child to ride the product at dusk, at night or at times of limited visibility.
- Do not allow a child to ride on roadways or alleys.
- Do not allow a child to ride off road, on grass or wet surfaces.
- Never use near streets, swimming pools (or other bodies of water), hills, steps, or sloped driveways.
- For use on smooth paved surfaces only.
- Understand all operating procedures before use.
- Do not tow or pull any objects with the product.
- Do not push or pull a child riding on the product.
- Use with caution, since skill is required to avoid falls or collisions causing injury to the user or third parties.
- Always comply with local laws and regulations.
- If anything does not operate properly, discontinue use.
- Replace worn or broken parts immediately with genuine replacement parts.
- Handlebar hand grip or tube end plugs should be replaced if damaged as bare tubes have been known to cause injury. All products with capped handlebar ends should be checked regularly to ensure that adequate protection for the ends of the handlebars are in place.
- Do Not modify the product.
- Self-locking nuts and other self-locking fixings may lose their effectiveness when re-used.
