

NOTE

Insert the **Plastic Base Stakes** (#5) through the **Base** (#3) so the base is up against the **Stake Supports** (#4).

NOTE

Place one of the assembled pieces on a flat clear surface. Measure about 10 to 15 feet (3.05-4.57m) from the first stake and place the second one down. You can adjust the distance between each stake depending on the players skill level. The further the stakes are from each other, the harder the game will be.

GAME INSTRUCTIONS

GAME:

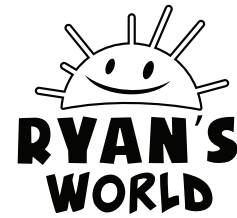

This set is intended to be played in a casual fun way. There will be two teams of two players each. Each teammate will stand opposite one another. The game ends when the score reaches 21. A coin will be flipped to determine which team will go first. Teams will alternate pitching their shoe towards the opposing stake one after another until all four shoes have been pitched.

SCORING:

Players will get 3 points if the stake is within the horseshoe. 2 points will be given if the stake is touching the outside of the horseshoe. There will be one point scored if the horseshoe is equal to or less than one horseshoe width away from the stake.

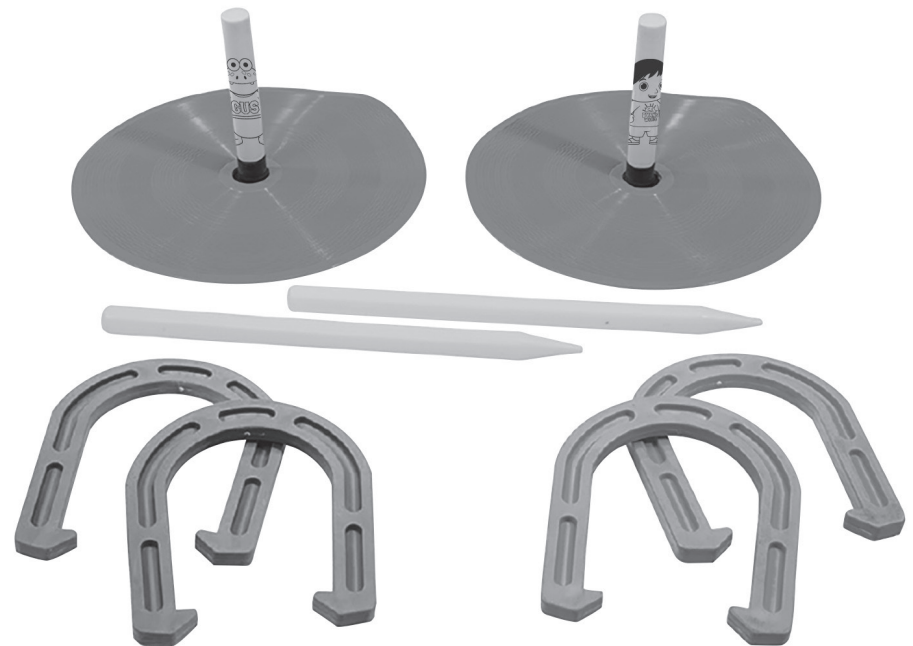

It's up to the teams if they want points to cancel. If points cancel, each team would add up their points and the team with the higher points would score the difference between the two teams scores.

YOU ARE NOW READY TO PLAY!

RYAN'S HORSESHOES

ASSEMBLY INSTRUCTIONS

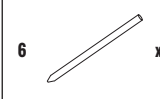

GENERAL NOTE

- Start by laying out all the pieces in a clean flat area.

OUTDOOR SETUP:

PARTS

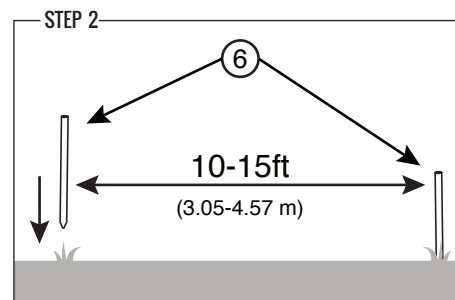

x1

NOTE

Locate a flat area with soft soil. Take the first **Plastic Ground Stake (#6)** and press it into the ground.

NOTE: We do not recommend striking the stake during setup.

PARTS

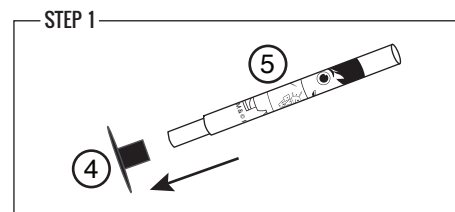

x1

NOTE

Measure about 10 to 15 feet (3.05-4.57m) from the first stake and press the second **Plastic Ground Stake (#6)** into the ground. You can adjust the distance between each stake depending on the players skill level. The further the stakes are from each other, the harder the game will be.

INDOOR SETUP:

PARTS

x2

x2

NOTE

Start by sliding one of the **Stake Supports (#4)** onto the bottom of each **Plastic Base Stake (#5)**.
