MAKE CHANGE

Show us how your generation can make a difference.

Submit your design for a t-shirt that inspires others to speak up and make their voice heard.

HERE'S HOW IT WORKS:

1. Sketch, drawing, painting, digital creation – we're open to all mediums!
2. Your design should express how you feel about making change, speaking up, showing up.
3. This is about sharing your voice & inspiring others to do the same. *Please avoid specific political & voting party issues.*
4. Submit your design by posting it to Instagram with **#AEXME @americaneagle by 6.22.**
5. The winning designs will be printed as part of a limited-edition collection this fall, with all proceeds benefitting Rock The Vote.
