THE RITZ-CARLTON SPA, LOS ANGELES & VEUVE CLICQUOT MAKE THE PERFECT PAIRING WITH LIMITED-TIME SPA COLLECTION LAUNCHING SUNDAY, SEPTEMBER 1

Aligned with the 10th Annual Veuve Clicquot Polo Classic Los Angeles, the Spa uncorks four specialty treatments inspired by the celebrated Champagne house's signature labels

LOS ANGELES, CA – Aug. 27, 2019 – The Ritz-Carlton Spa, Los Angeles has announced a limited-time Veuve Clicquot Collection of treatments. The collection will draw inspiration from the flavor and aroma profiles of signature Veuve Clicquot labels including the *Rich Collection*, *Non-Vintage Rosé*, *Yellow Label*, and *La Grande Dame*. Four unique treatment experiences bring to life the luxury and indulgence of Veuve Clicquot: ***On the Rocks Hands & Feet Treatment***, ***Wild Strawberry Body Wrap***, ***Golden Glow Facial***, and the top drop ***La Grande Dame Tête de Cuvée Experience***. To accompany each treatment, guests will be served a welcome glass of corresponding Veuve Clicquot champagne upon arrival. Couples reserving ***La Grande Dame Tête de Cuvée Experience*** will receive a bottle of the namesake champagne to be enjoyed during their treatment or at home.

“When it comes to luxury experiences, The Ritz-Carlton, Los Angeles and Veuve Clicquot are leaders in the industry,” explains Spa Director Tyneese Thompson. “As our hotel prepares to celebrate its 10-year anniversary in early 2020, we thought it only natural to incorporate the world-renown label into our fall spa collection ahead of the 10th Annual Veuve Clicquot Polo Classic in Los Angeles.”

Available **Sunday, September 1**, the Veuve Clicquot Collection will offer the following:

On the Rocks Hands & Feet Treatment: Just as the Rich Collection is designed to be served on ice with citrus fruits, this cooling treatment provides muscle relief and reduces puffiness. The experience begins with a chilled grapefruit compress followed by a floral scrub restoring vitality and energy. Finish with nail care and polish. (Manicure, 50 minutes / \$90; Pedicure, 80 minutes / \$150)

Wild Strawberry Body Wrap: Defined by its length and character, the Rosé inspired treatment features wild strawberry essence, a nod to the tasting notes and aromas of the bespoke label. An invigorating dry brush followed by a nourishing Strawberry fully-body wrap leaves skin smooth and firm, while a final application of Pear soufflé moisture brightens the complexion. The vitamin C and folic acid naturally found in the wild berry will promote cell regeneration and anti-aging. (80 minutes / \$350)

Golden Glow Facial: The Yellow Label is known for its vibrant bottle and balanced strong yet silky flavor, this treatment offers aromatic intensity and freshness from a white fruit face scrub and vanilla extract serum, leaving the skin revived. Finish with a Knesko NANO Gold under eye mask infused with gold particles for the ultimate glow. (80 minutes / \$275)

La Grande Dame Tête de Cuvée Experience: Paying homage to the legacy of the label's founder, Madame Clicquot, La Grande Dame Tête de Cuvée Experience is an over-the-top couples treatment incorporating a crushed grape seed body scrub followed by a bubbly mineral bath soak in the VIP couples suite, for detoxing and anti-aging, and aromatherapy based on tasting notes of the famed vintage, apricot, pear, and cherry. To continue the experience at home, guests will enjoy a take-home gift courtesy of Veuve Clicquot. (100 minutes / \$1,200)
