THE NEW B LOUNGE: A HOMAGE TO PORTUGUESE TRADITIONS

NEW YEAR, NEW CONCEPT FOR B LOUNGE

The B Lounge - the bar - restaurant in the lobby of the Penha Longa Resort has a new concept, in a tribute to Portugal, our national gastronomy and hospitality. And every hour is an excuse for a meeting around the table: there is a new Portuguese-inspired menu, available from 12 p.m. to 10:30 p.m.; and then the afternoon is divided between the "Afternoon tea: Sintra Traditions", from 2 p.m. to 5 p.m.; the Wine O' clock; from 5 p.m. to 7 p.m., and the Gin Tasting from 4 p.m. to 5 p.m. It's reason to say "never a dull moment" at B Lounge!

PORTUGUESE INSPIRED MENU

The B Lounge introduces a menu inspired by Portuguese cuisine, highlighting traditional snacks with a culinary twist prepared by the resort's experienced team. At the table, delicacies such as the irresistible Peixinhos da Horta with basil mayonnaise, the delicious Farinheira scrambled eggs with corn bread crumble, the fresh Algarve Tomato Salad with tuna and onion, or the tasty chickpeas with codfish chips and smoked cod, cabbage pickle, egg, crispy onion, and aioli, to name a few, are available to share. There are some dishes on bread, such as the Pregos, which are composed of loin in bolo do caco with queijo da serra and mustard, or the Tuna onion on bolo do caco with aioli. And as for desserts, we could not miss a classic of the Portuguese table, the Pudim Abade Priscos, here served with tangerine curd, or the Chocolate Mousse with a reduction of muscatel and orange tile.

The Portuguese-inspired menu is available from 12 p.m. to 10:30 p.m.

AFTERNOON TEA "SINTRA TRADITIONS"

The afternoon tea pays tribute to Sintra's gastronomy, since the town is known for its pastries and other delicacies. Guests and visitors can enjoy the famous queijadas de Sintra, mini travesseiros or mini parrameiros, and for fans of savory dishes, there is an irresistible mini chicken focaccia with Sintra rock pears, balsamic reduction and wild arugula. Together with these marvelous dishes, besides the usual hot or cold drinks, the infusion with History stands out, as a brand that enhances Portugal through its garnishes and smells.
