

Discovering Krabi & Phulay Bay

Phulay Bay

A RITZ-CARLTON RESERVE

Discover the unparalleled beauty of Krabi as you explore the limestone islands

Sailing in the Andaman

Explore the pristine islands of the Andaman Sea on a sailing trip and indulge in a refreshing swim in the turquoise waters. The stunning natural beauty of the limestone cliffs, soft sandy beaches, and tranquil lagoons will leave a lasting impression.

Hong Island

The word “hong” means room, because the shape of this island forms a small, secluded lagoon, with clear blue waters perfect for a relaxing swim.

Phi Phi Island

Phi Phi Island is one of Krabi’s most scenic destinations, where towering limestone cliffs form intricate caves and lagoons perfect for snorkeling and exploring.

Four Islands National Park Hopping

Take a trip to the famous islands around Ao Nang and explore underwater snorkeling spots, glistening beaches, and ancient caves.

Phang Nga Bay

This calm bay features hundreds of limestone islands formed over millions of years. The bay was made famous when the James Bond movie ‘*The Man with the Golden Gun*’ was filmed there.

Fishing Trip

Enjoy an incredible sailing and fishing adventure around Koh Haa, where crystal clear waters reveal the teeming schools of fish below.

Ao Nang island hopping

Snorkeling at Phi Phi Islands

Diving & Snorkeling

The warm, clear waters surrounding the tropical islands of Krabi are alive with coral reefs and colourful fish, and offers some of the best dive sites in Thailand. Embark on an underwater adventure and discover the clownfish, moray eels, and even spotted leopard sharks that make their home amongst the sponge coral and anemones.

Ao Nang

From islands fringed with shallow coral to hidden shipwrecks teeming with marine wildlife, Ao Nang Bay is full of incredible diving and snorkeling spots for you to explore.

Phi Phi Island

Dive down in the glistening blue waters of Viking Cave and explore the underwater beauty surrounding Phi Phi Island. The reefs here are also home to great schools of barracuda and lionfish.

For more information and to arrange diving or snorkeling tours, seek our Recreation team.

Mangrove jungles at Thalane Bay

Kayaking & Canoeing in Caves & Mangrove Jungles

Venture out on either a kayak or a canoe and discover the natural caves and grottoes hidden within the limestone islands along Krabi's coastline. Not to miss are the mangrove jungles lining the cliffs, where you can keep an eye out for exotic birds and other wildlife.

Gypsy Caves

The expansive cave systems around Thalane Bay are surrounded by lush mangrove jungles teeming with wildlife. The nearby Borthor caves also feature over 100 wall paintings made by ancient civilizations who once occupied the area.
