

THE RITZ - CARLTON

NEW YORK, CENTRAL PARK

Filming and Photography Guidelines

The Public Relations & Marketing Communications Office is responsible for approving requests for commercial and noncommercial filming and photography at The Ritz-Carlton New York, Central Park. Unless otherwise arranged, filming, photography shoots, or drone usage is strictly prohibited in public areas of the hotel due to the privacy of our guests. This includes the hotel lobby, Contour Lounge, hallway corridors, Club Level Lounge, the fitness center and movement studio and La Prairie Spa.

A designated space or private suite can be reserved. A deposit, rental and incidental fees may apply, along with a certificate of insurance.

For all general inquiries including media, please contact:
