## TAKE YOUR STUDIES TO THE LAKE

*Guided Digital Learning is Available for Families with  
the new Ritz Kids Study Buddy Program*

**GREENSBORO, GA (August 2020)** – Camp doesn't have to end now that school is back in session, and with flexibility for working and learning from anywhere this year, an endless summer is in sight. [The Ritz-Carlton Reynolds, Lake Oconee](#) has introduced an exclusive '**Ritz Kids Study Buddy**' program, where kids can mix education and fun at the lake this school year.

While parents are able to 'work from home,' in the privacy of their luxury guest room, Lake House or Cottage, students can participate in a half or full day of this brand new fully customizable program. A dedicated counselor will connect before arrival to learn about the digital learning schedule, building a personal syllabus for the kids. The Ritz Kids Study Buddy will ensure the virtual class schedule is followed with mentorship and assistance. While enriching experiences like harvesting in the Chef's Garden or fishing in the lake are sprinkled in for a break from digital learning. "Recess" and screen breaks will also include a selection of brand new outdoor programs to choose from such as:

- **Amazing Nature:** Kids will embark on a nature walk around the resort where they will see many animal wood carvings. Along the way, they'll learn about the creative innovations of nature and how they've inspired things humans use every day.
- **What Good is a Tree:** This program will teach kids about the importance of trees to our everyday lives. They'll participate in an educational outdoor scavenger hunt collecting leaves from different trees ending in a fun game of leaf bingo!
