The Forbes Travel Guide ranks the Ritz-Carlton Montreal's room in the top World's Best Room 2019

MONTREAL, May 15, 2019 - Forbes Travel Guide announced this week the World's Best Hotels Room 2019 and the Ritz-Carlton Montreal received the honor to be the only Canadian hotel on the coveted list of Top 41 Best Hotel's Room.

Forbes Travel Guide is the global authority on luxury travel. Their anonymous professional inspectors travel the world to assess hotels, restaurants, and spas based on 900 objective standards. While they inspect both service and facility, their Star Rating system emphasizes quality of service because your experience at a hotel, restaurant, or spa goes beyond looks — how it makes you feel is what you will remember most.

This Award is due to the passion and the hard work of our Ladies and Gentlemen.
