**Dubai, United Arab Emirates – 08 July 2020** - The Ritz-Carlton, Dubai International Financial Centre invites guests to experience a new, luxurious treatment from marocMaroc, called Sensory Awakening Massage. This treatment draws on all Moroccan secrets to enhance the body and relax the spirit with the help of the soothing heat of the Paillettes d'Ambre candle.

Invigorating, spicy blend of scents sealed in the plant based wax of Paillettes d'Ambre candle stimulates the senses, whilst its hydrating and nourishing active ingredients enhance the smoothness of the skin. The noble blend of vanilla and musk releases its revitalising, calming properties with each stroke, which is unique to this massage, providing a warm and gentle embrace.

At the end of a 90-minute ritual, a spritz or two of the enchanting Jardin Mille Roses mist restores the harmony of body and spirit.

To complete a wellness journey, the recently reopened The Ritz-Carlton Spa, offers a complimentary signature facial to the guests opting for Sensory Awakening Massage.
