The Ritz-Carlton, Bahrain celebrates #25YearsofExceptionalMemories to mark its Silver Jubilee.

The journey of the 7-story flagship resort began on November 26, 1994 when it opened its doors as one of the first luxury beach resorts in the Kingdom. Immediately elevating its offerings to become a notable choice for important regional and international conferences as well as being the hotel of choice for the region’s most elite clientele. The following year the resort added 23 luxurious three-bedroom, seaside Villas, each with their own private infinity pool, beach and 24-hour butler service.

Fast forward sixteen years to 2019, the 20-acre resort has now grown to include: The Ritz-Carlton Club® Level, with panoramic views of the Arabian Gulf; 12 award-winning restaurants with La Table

Krug by Y being its latest edition to the portfolio of dining; a world-class Ritz-Carlton Spa; a state-of-the-art Royal Beach Club; private 16-slip marina; Ritz-Kids club; and over 90,000 square feet of meetings and conference space including the recent additions of the Masaya and Arena pavilions’.

“I have been working within the hotel industry for nearly four decades, and have come across many defining hotel properties, during my travels, says Bernard de Villèle, General Manager. The Ritz-Carlton, Bahrain, is the iconic property in the Kingdom. “When you enter our lobby and close your eyes, you feel it. Your senses are enlivened, by the memorable unique experiences created by our ladies and gentlemen.”
