NEW POOLS, WATER EXPERIENCE, OUTDOOR RESTAURANT AND BAR COMING SOON TO THE RITZ-CARLTON GOLF RESORT, NAPLES

Southwest Florida's iconic golf resort is elevating and remastering the outdoor guest experience

NAPLES, FLORIDA (July 30, 2020) – Beginning August 3, [The Ritz-Carlton Golf Resort, Naples](#) will undergo a remastering of the resort including the addition of a new swimming pool, an immersive water activity experience, a new outdoor restaurant and bar and event lawn. The enhancements will elevate the extensive amenities already available at Southwest Florida's premiere luxury resort, known for its pristine beaches, championship golf, relaxing spa and innovative children's programming. The remastering design is a collaboration of Cooper Carry and Parker Torres Design.

"We are thrilled to add these new amenities for our guests," said Guillaume Benezech, hotel manager of The Ritz-Carlton Golf Resort, Naples. "Our guests love spending time outside and through this new project, we are able to enhance their resort experience with the addition of new spaces to play, relax and dine outside in the warm Florida sunshine."

The new outdoor restaurant and pool bar will be a contemporary casual dining concept featuring natural furniture in wood, wicker, and teak, with book matched stone, designed in warm tones. Lush greenery will be incorporated throughout to enhance the welcoming atmosphere. The new 3,600 square foot event lawn will be located just off of the main dining patio, making it an excellent venue for group gatherings. The new dining experience will be complete by the end of November 2020.

The new pools and water experience at the resort will occupy over 14,000 square feet of space, including an adults only pool, kids pool and play areas, and an immersive water activity experience with two body waterslides, a tube waterslide and a 600 foot long lazy river. The adults pool will have 6 spacious, private cabanas, each with an indoor/ outdoor living concept, wet bar and flat screen TV. A new pool deck with chaise lounges, chairs, umbrellas, as well as a new towel stand and pool area restroom are also part of the project. The new pools and water experiences will be complete in May 2021.

During the project, the pool area will be closed; however, guests of The Ritz-Carlton Golf Resort, Naples will continue to have access to all of the amenities at the beach resort, with complimentary transfers between both resorts offered on a regular daily schedule.
