

OCEAN DISCOVERIES

BY DIVE BUTLER FARI KANDU

SNORKELLING

TURTLE SNORKELLING

Swim with one of the oldest living creatures in the world in their natural habitat. Sea turtles have been around for more than 150 million years. We have a variety of turtles living harmoniously in the surrounding reefs. Join us to appreciate up close and personal moments with these fascinating sea animals.

MONDAY, FRIDAY & SATURDAY

9 am to 11 am
USD 170 PER GUEST

SHARK SNORKELLING

Experience an exhilarating underwater experience, snorkelling with friendly whitetip sharks, blacktip sharks and the occasional nurse sharks in the blue wilderness.

TUESDAY, FRIDAY & SUNDAY

TUESDAY | 10 am to 12 pm
FRIDAY & SUNDAY | 3 pm to 5 pm
USD 130 PER GUEST

SNORKELLING EXCURSION

Discover what the ocean has to offer, from marine life to colourful reef corals, aboard a traditional Dhoni.

THURSDAY

9 am to 11 am
USD 130 PER GUEST

MANTA SNORKELLING

Float with the gentle giants of the ocean, the wingspan of manta rays scales up to 29 feet. Manta encounters are frequent and spotted throughout the year in this beautiful destination.

UPON REQUEST

DAILY, UPON REQUEST | USD 200 PER GUEST

CITIES UNDER THE SEA SNORKEL*

Snorkel trip, hosted by the Jean-Michel Cousteau's Naturalists & guided by Dive Butler International. The coral reef has many residents all doing important work, just like a city on land. Discover a solar-powered city full of doctors, managers, waste collectors & partnerships while learning from nature's amazing ability to capture solar energy, recycle all the waste & house a diverse array of species that work together to form a sustainable community. *Private trips also available.*

WEDNESDAY & SUNDAY

9 am to 12 pm

Ages 14 and up

USD 190 per guest

NIGHT SNORKEL*

Join our Naturalists on an adventure into the ocean at night. Begin with an introduction to the most common nocturnal animals with an interactive presentation.

Then, using waterproof flashlights, we immerse ourselves in the reef after dark when a whole new cast of creatures emerge. If you have explored with us during the day, you have only seen half of the coral city's inhabitants. Take a journey on land and in the water with our Naturalists and Dive Butler as a guide! *Private trips also available.*

MONDAY & SATURDAY

6.30 pm to 8.30 pm

Ages 14 and up

USD 150 per guest

MARINE BIOLOGY PRESENTATION

Pursue your passion for Marine Biology in the fifth most diverse coral reefs in the world.

WEDNESDAY

5 pm to 6 pm

Ages 12 and up

COMPLIMENTARY

MARINE BIOLOGIST SCUBA DIVE*

Ever wonder why some things in the ocean appear to be from science fiction? There is a fascinating story behind those adaptations that our Naturalists are excited to share with you! Discover the reason of the very sophisticated design behind what we consider weird body shapes and colour patterns. Guests will also explore how coral reefs and their inhabitants are adapted to their environment and ecologically connected to each other – and to us!

Take a journey on land and in the water with our Naturalists and Dive Butler as a guide! *Certified Divers only.*

THURSDAY & SUNDAY

2 pm to 4.30 pm

Ages 10 and up (certified divers)

USD 240 per guest

CORAL REGENERATION EXPERIENCE CORAL CERAMICS SNORKEL

As part of this Fari Islands project, join Marine Biologists from The Ritz-Carlton Maldives, Fari Islands and Patina Maldives, as they plant the coral fragments that have been attached to the ceramics our guests have created. Join us on a boat ride out to one of our coral nurseries within the archipelago; learn all about the importance of corals and the eco-friendly restoration techniques we use to grow new areas of coral reef surrounding the resort.

TUESDAY

4.00 pm to 5.30 pm

Ages 6 and up

Complimentary
