### **About the Ritz-Carlton Montreal**

Granted the prestigious CAA/AAA Five Diamond Award – the only one in Quebec – the Ritz-Carlton Montreal has been the most elegant address in the city since 1912. In May of 2012, the hotel reopened after an extensive multi-year restoration, which saw the Montreal landmark transformed into a chic and modern space.

The first hotel in the world to combine the Ritz and Carlton designations, the Ritz-Carlton Montreal is located in the heart of Golden Square Mile, home to Montreal's elite in the early twentieth century. A symbol of refinement and elegance, the hotel has welcomed some of the world's best-known heads of state, artists and business magnates. Several of the 20th century's leading figures have stayed there, including the Queen Mother, Winston Churchill, Charles de Gaulle, Richard Nixon, Pierre Elliott Trudeau, Brian Mulroney, George Bush Sr., as well as Elizabeth Taylor and Richard Burton, who celebrated their first wedding at the hotel.
