About Penha Longa Resort

The estate of Penha Longa in Portugal, located within a 545-acre/220-hectare National Park on the southern Sintra Mountains has been a place of sanctuary for centuries. The Catholic fathers founded their monastery here, finding peace and tranquility in its setting whilst the Royal Family came in the summer months to find a cool refuge from the heat of nearby

Lisbon. Today, the breathtakingly beautiful resort encompasses a luxurious hotel, a nineteenth century palace originally founded as a monastery in the fourteenth century, two spectacular golf courses, a superb Penha Longa Spa and ten exceptional dining facilities, including three Michelin-starred restaurants, LAB by Sergi Arola, Midori, and Eneko Lisboa.
