KAPALUA

# LOVE

*Let your imagination soar*

No two love stories are the same, which is why weddings at The Ritz-Carlton, Kapalua unite earth, sea and sky for a romantic celebration of each couple's unique story. In the Aloha spirit—love for the land, love for family, love for each other—we invite you to make your dream come to life.

We will help you create your perfect wedding—whether you imagine a lush outdoor garden bathed in sunlight, an elegant ballroom celebration, or a dreamy candlelit intimate setting—we focus on the little things that gracefully reveal what is most important to you.

# PRELUDE

*Cherish every moment*

The beauty of your love story will be reflected in the tapestry of events and shared experiences before, during and after your wedding. Start the festivities off with a personally tailored spa retreat for your bridal party while your groomsmen enjoy championship golf excursions, creating stories you will joyfully share for years to come.

Bridal couples looking to embrace their wedding locale can incorporate elements of the traditional Hawaiian wedding into their ceremony. Extend aloha to your bridal party by requesting hula lessons at a bridesmaid luncheon, complete with lei-making instruction. We can arrange an array of entertainment – from a Hawaiian ukulele player and hula dancer to your own culture with touches, such as a bagpiper, Japanese koto player, or almost any special request you may have.

An aerial photograph of a tropical coastline. In the foreground, a lush green golf course with several palm trees and a small building is visible. A dense line of tropical trees separates the golf course from a sandy beach. The ocean is a vibrant blue, with white waves breaking on the shore. In the distance, a range of mountains is visible under a bright blue sky with scattered white clouds.

Translated from an ancient Hawaiian language to mean “arms embracing the sea,” Kapalua enfolds you into its surroundings. Take a guided hike through a lush Hawaiian rainforest or snorkel among beautiful coral reefs. Outdoor activities span the ocean and the mountains to ensure a memorable tropical honeymoon escape.
