The purpose of the American Cancer Society's Making Strides Against Breast Cancer Walk in Tucson is to raise money to fund innovative research, provide free information and support, and help people reduce their breast cancer risk or find it early when it's most treatable. Support for the walk by The Ritz-Carlton, Dove Mountain is part of the resort's Community Footprints program, serving multiple local non-profit organizations throughout the year. Members of the resort team will participate in the walk in honor of their own loved ones who are battling breast cancer.
