

# Ripple & Accordion Tapes (White)

- Made of Nylon.
- Nickel plated brass snaps do not rust.
- Due to the difference of snaps in the various brands, be sure to verify the type of snap you are working with.
- We have color coded our tapes for your convenience:

**Blue thread fits Graber glides/rods, Orange thread fits Kirsch glides/rods.**

- Always check which tape you need before sewing.

	STOCK #	Thread Color	Ripple Spacing
