

R-TEC Smart Controls

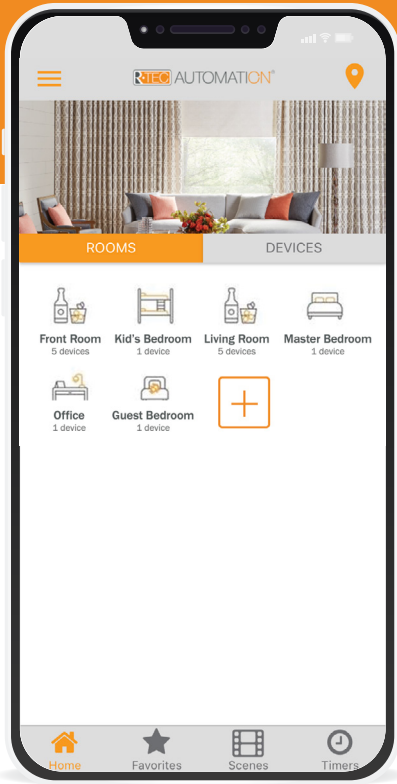

The R-TEC Automation® Hub and App integration allow window treatments to be controlled directly from a smartphone or integrated device while at home or away. Now available in the Apple® App Store or Google Play™, search for Rowley to find and download the new R-TEC Automation® App. As an alternative, remotes and wall switches allow for individual, group and ALL control for a customized solution with 1, 2, 5 or 15 channel options.

- R-TEC Automation® is a convenient, comfortable, lifestyle solution that integrates smart technology solutions.
- Easily connect your automated window treatments to voice control systems using our R-TEC Hub.

R-TEC SMART CONTROLS

Control, schedule and automate your window treatments with the R-TEC Automation® Hub and App directly from your smartphone, or choose from a variety of remote, sensor and wall switches to customize your control options.

Handheld Remotes with Wall Mounts offer modern features, including LCD displays, individual, group and ALL control and precision leveling, giving users complete control from an elegant handheld remote. Available with 1, 5 or 15 channels. Range: 65'.

Interior Sun Sensors automatically manage daylight transitions at each window, minimizing reliance on and costs of artificial light. Range: 65'.

Wall Switches come in both cut in and flush mount configurations and provide a sensible control option for room and whole home control. Available with 1, 2, 5 or 15 channels. Range: 65'.

ARC™ USB Signal Repeaters extend the wireless range of the R-TEC Hub and Remotes up to 60'. Simply plug into USB Wall Charger for easy install. Maximum 2 per system or network.

The home has never been so smart.

THE HEARTBEAT OF YOUR MOTORIZED WINDOW TREATMENTS

The Hub provides the heartbeat of the R-TEC Automation® experience. With Wi-Fi built in, simply plug in where convenient and connect to the local wireless network.
