# THE FINIAL COMPANY

## 1½" Metal Traverse

#### The perfect modern solution for residential or commercial applications

- Available in 11/8" diameter
- Baton draw: center or one-way
- Pinch Pleat or Ripplefold carriers in 60%, 80%, 100% and 120% fullness
- Continuous track available up to 12' in select finish options; splice can be used to achieve longer lengths
- Coordinates with Modern Metal Collection finials and finishes
- Traverse systems include track, brackets, carriers, glides and round end caps. Batons, modern collection finials and cuffs/collars sold separately.
- Cut to your specification. Sold in 2' increments with a 4' minimum (fall off is not saved or shipped).

#### Available Finishes:
