BLOOM

FABRIC COLLECTION

Bloom is a celebration of life and love, inspired by nature and its biodiversity, specifically birds and the magic of the rainforest. The richness of bird feathers, the fascination with all things beautiful, and the contagiously joyful rhythm of the Carnival in Rio de Janeiro undoubtedly encapsulates the essence of the Bloom Collection. Be dazzled by these incredible geometric designs, both modern and in perfect harmony with the latest fashion trends. Be amazed by this truly blooming “love story” of textiles.
