CALYPSO

PERFORMANCE FABRICS

The Boris Kroll Calypso Collection is the essence of functional style. This season, we are excited to introduce a dynamic range of fabrics finished with **Crypton Home**.™ Each fabric in this collection is stain and odor resistant, extremely durable, and easy to clean. Innovative textures, snappy small-scale patterns and solid velvets perform superbly in even the most active interior environments. The coordinating palette is offered in a colorful range of richly saturated hues, fashionable brights, soft nature-inspired shades and chic neutrals. The Calypso collection is designed to be the stylish, durable cornerstone of each and every lifestyle.

PERFORMANCE

THE ULTIMATE PERFORMANCE FABRIC FOR BRILLIANT, RESILIENT INTERIORS.

Furniture upholstered in Crypton Home Fabric means stains are simple to clean and odors won't grab hold. This amazing and powerful performance technology will literally change the way you live.

WHO NEEDS IT?

Everyone! Ideal for homes with kids, pets, messy adults and those who love to entertain.
