ANTELOPE VELVET

Originally designed for carpet and introduced by Stark Carpet in 1970, Antelope has come a long way! Instantly adored, the Antelope design was adapted into a coordinating fabric and introduced into the Old World Weavers line in 2013 in two naturalistic colorways. Old World Weavers is thrilled to expand this beloved design, adding new and bold colors to the offering! Saturated and dramatic, these new colorways speak to our desire for a world filled with color, pushing the range from naturalistic to decorative!

TORINO VELVET

In keeping with Old World Weavers appreciation of true luxury, Torino Velvet raises the bar on cotton velvet by raising the pile height. Made of 100% cotton for its beautiful hand and wearability, Torino Velvet features a deep, luxurious plush velvet with an anti-crush finish that you can really sink into. Offered in a large range of colors from neutrals to fashion inspired colors, Torino Velvet is not only easy to incorporate into every space, it adds a chic touch!
