CHINOISERIE GARDEN

WALLPAPER COLLECTION

The enchanting Chinoiserie Garden collection is a breathtaking series of wallpapers that capture the essence of a 100-year-old embroidered silk Chinoiserie from Canton, China. This exquisite fabric, rich with history and artistry, journeyed from China to France and eventually inspired our designers to rediscover the magic of the past. While the original owner of the fabric remains a mystery, its beauty continues to spark the imagination and transform interiors.

The Chinoiserie Garden collection features four stunning murals and a delicate butterfly design, each piece infused with the spirit of the ancient silk embroidery. These wallpapers are perfect for interior decorators seeking to create luxurious, large-scale Chinoiserie murals that bring a touch of timeless elegance to any space.
