## LINEN WALLCOVERINGS

### COLLECTION

Ashley Stark understands your home is where life is lived. Having been immersed in design and creativity her entire life, Ashley now shares her passion for beautiful spaces—from the classic to the modern.

This beautifully inspired collection of linen wallcoverings by Ashley Stark Home invites you into a chic world of casual contemporary interiors.

#### LINEN, A SUSTAINABLE PLANT FIBER

Illuminate interior spaces with the natural beauty of linen. Not only is linen considered sustainable, but it is also known as one of the oldest and strongest fibers in the world. Crafted in the ancient European tradition—but with modern manufacturing techniques—these wallcoverings are classic with a modern twist, adding an extra layer of textural warmth that will bring your walls to life.
