CHINOIS CHIC

FABRIC & TRIMMING

Scalamandré presents Chinois Chic, an exuberant collection of fabric and passementerie celebrating the centuries-old tradition of chinoiserie. Born of the West's curiosity for Eastern design, this rich aesthetic marries a Rococo sensibility with an imaginative vision of Asian culture. Popularized by European aristocracy in the 17th and 18th centuries, chinoiserie continues to offer timeless appeal with its signature evocation of mythology and nature. Wild dragons, stylized florals and labyrinth-like geometrics gain new life in the natural fibers and crisp, clean hues of Chinois Chic. Scalamandré re-invigorates this textile tradition with a collection of statement prints, essential wovens, and embroidered fabrics and tapes. Striking an effortless balance between tradition and trend, this vibrant collection offers casual elegance with an age-old flair for fantasy and wonder.
