

A woman with dark hair, wearing a strapless beige dress, is lying on a bed reading a magazine. The bed has a white headboard and is covered with a patterned beige and orange duvet and several pillows. Behind her are light blue curtains with a white valance featuring orange and beige stripes. The room is lit by two bedside lamps with white bases and patterned shades. The overall aesthetic is elegant and classic.

# LUXURY LEGACY COLLECTION

Scalamandré's *Luxury Legacy* collection is a tribute to the timeless expression of the brand's design heritage, drawing from its storied archive to reintroduce iconic patterns alongside refined new designs. The collection highlights the textiles for which the brand is renowned—including damasks, silk lampas, and chinoiserie—reimagined in rich yet sophisticated color palettes. Thoughtfully designed to work together, many of the patterns are complemented by coordinating wallcoverings, offering a cohesive and elevated approach to interiors.
