## PASSEMENTERIE COLLECTION

On the occasion of our 90<sup>th</sup> anniversary, Scalamandré is proud to present Novanta, a signature assortment of traditional passementerie inspired by archival classics. An array of cords, tassel fringe, brush fringe, braids, and bullion are a quintessential resource for discerning designers. Couture-inspired palettes include nuanced pastels, jewel tones, wintry neutrals and smoky hues. Colored to coordinate with the best of Scalamandré fabrics, these timeless styles can layer together subtly, or be placed in bolder ways to create memorable accents. The refined details and artisanal techniques of the Novanta Collection add a tailored Scalamandré touch to any room.
