# ENDLESS SUMMER

## INDOOR/OUTDOOR FABRIC COLLECTION

Scalamandré introduces a richly textured collection of indoor/outdoor woven fabrics that feature a natural look and hand combined with high performance. Using fibers and weaves with the appearance of linen and cotton, these stylish fabrics offer high fade resistance, nano-finishing, durability and washability, making them ideal for the most active interior and exterior environments. Exotic batik-inspired designs, textures, stripes and geometrics are woven in a versatile palette that blends chic neutrals with clear and sunny shades. Create your own perfect endless summer indoors or out, with a vibrant scheme that lasts and lasts.
