THE COLLECTION DETAILS

- Self-welt with matching print
- Fully fabric lined
- Standard washer top in nickel finish

- Made in the USA
- Each lampshade is hand-stretched and sewed over a wire frame, making this a truly handcrafted product
- Soft-back lampshades offer a more diffused ambient light than hard-back lampshades
- The surface of a soft-back lampshade is flexible and will not dent like a hard-back lampshade, making the product more long-lasting
- Pleated lampshades are hand gathered to create the dimensional, shirred effect
