INLAID WALLCOVERING COLLECTION

Scalamandré presents the Rhythm & Line Inlaid Wallcovering Collection; an assortment of modern, dynamic surfaces celebrating geometry and material play. Using artisanal processes, this diverse group offers a range of fresh, contemporary looks in wood veneer, sisal, metallics and more. Inspired by biophilia, or the human connection to the patterns of nature, these inlaid wallcoverings add a sense of rhythm to any space.

Cover: ELSIE DE WOLFE, MUIR WOODS and BOULEVARD CORD.
