

PERKY-PET® BIRD WATCHING JOURNAL PRINTING & ASSEMBLY INSTRUCTIONS

PRINTING

- If printing single sided, print the document as usual.
- If printing double sided, select “print on both sides” on your printer settings.
 - Select “slip on short edge” so you’ll be able to assemble a booklet.
- Print additional journal pages as desired.
- **TIP:** To create a sturdier notebook, print the cover on cardstock or other heavyweight paper.

ASSEMBLING

- Once printed, fold each sheet of paper along the dotted line in the center.
- Fit the pages into one another to assemble a booklet.
- Secure pages along the fold with staples, string, etc.
- If desired, trim the booklet to size with scissors.
